Electives – 9 Credits

Select courses with a significant international focus from the categories listed below. At least 3 credits MUST come from outside the student's primary major of study. Courses used for the International Studies Core cannot also count as electives. Other courses may be approved for this area with the approval of the College International Studies Advisor. A substitution form submitted to the Office of Registration and Records will be required in these instances.

Major Requirements and Notes:

- The General Education component is to be completed with the student's choice of primary major. Courses for the International Studies core may not double count as general education for the primary major. However, courses meeting general education requirements for global perspectives and cultural diversity may count as electives. The electives list is not all inclusive; other courses meeting this requirement may be selected with the assistance of an International Studies major advisor.
