DEGREE ELECTIVES - 10 CREDITS TO REACH 122

Degree Requirements and Notes:

- Courses with (*) will be used in the selective GPA calculation for admission to the Professional Nursing program. Grades for three of the five sciences (lecture/lab) will be used for selective GPA.
- All students must complete all required courses with a grade of 'C' or above. All students must maintain a semester GPA of 2.0 or above for each semester in the College. A student who fails to meet this standard for two successive or three non-successive semesters may be terminated from enrollment in the College of PNAS.
- Would also accept the following course sequence in place of CHEM 117/L: CHEM 121/L, 122/L or CHEM 121/L and 140.
