  Course to Substitute: ___________________ Gen Ed Category: ___________________

  1. Detailed Written Argument/Explanation:
     a. Based on the course you would like to substitute, provide a detailed argument/explanation in your own words that relates 2 of the course outcomes/objectives listed on the syllabus to at least 2 of the general education category learning outcomes. The general education category learning outcomes can be found online at: https://bulletin.ndsu.edu/academic-policies/undergraduate-policies/general-education/#learningoutcomestext

     b. The argument/explanation should include a discussion of assignments that relate directly to the outcomes of the course and general education category, as well as a discussion of how this course contributed to your university education and broadened your thinking on the topic.

  2. Documentation (Evidence): Include documentation that supports your request.
     • Examples of acceptable documentation include a course syllabus, course assignments, a letter from an adviser or instructor, or other documentation supporting the argument made in your explanation.

     • CAUTION: Do not rely on documentation alone. Include documentation that supports the argument/explanation you have offered. Relying on documentation without a strong argument can result in denial.

     • You will be notified via NDSU email if a decision cannot be rendered due to missing/incomplete documentation or if further explanation is required. For this reason, be sure your NDSU email address is listed above.
