- Approval Status must be changed to 'Ready for Review'. Click 'Save' again. Note: Do not change status to 'Approved' since that option only works when all grades for a roster have been entered.
- IMPORTANT:** Please change your mid-term grade rosters to 'Ready for Review' even if you have NO deficient mid-term grades for a course. This indicator will differentiate courses in which there truly are no deficient students versus those that were not reviewed for mid-term grades.
