CITI Course Enrollment Procedure

CITI provides courses in Human Subjects Protection, Good Clinical Practice, Health Information and Privacy, Lab Animal Welfare, and The Responsible Conduct of Research. Your organization likely has several requirements and perhaps some options to meet your institutional obligations.

- You will be provided a series of enrollment questions below. Your responses will determine the curriculum for the courses you are going to take.
- Please read the questions and responses carefully to make the best choices.

Human Subjects Protection Course:
- If you have NOT completed a CITI course at this institution previously, you may be required to complete the BASIC course at this time.
- If you have completed the CITI Basic course since 1-1-2014, the software is programmed to show you the CITI Re-fresher course now.
- You may be able to fulfill your refresher obligation with the CITI Good Clinical Practice Course. Please consult your HR office.
