- Annual celebration of undergraduate research and creative activity
- Undergraduate Research Awards
- Council on Undergraduate Research
  - NCUR
  - Posters on the Hill

## NDSU EXPLORE

"Research teaches you real-world skills. You get to learn new things; you really get pushed to your limits. You're not getting told information, but you have to go out and find information, and that's a huge and valuable skill in any environment."

**LAUREN SINGELMANN**

third year  
electrical engineering
