1) LICENSE

- a) The General Conditions of License Agreement for University Apartments creates a license for the individual to use campus apartments and is not a lease. The relationship between North Dakota State University (NDSU) and the individual is that of licensor-licensee and not that of landlord-tenant. A license creates a privilege for individuals to use residential housing subject to the conditions of this agreement and university regulations.
- b) The terms of this License Agreement for University Apartments are valid from June 1, 2020 until May 31, 2021. All apartment licensees are required to sign a new license agreement each year prior to June 1. Failure to do so may result in a hold being placed on the licensee's account and/or termination of the license agreement. A 60-day vacating notice is required for licensees who will be leaving campus and not signing an agreement for the following term.

2) ELIGIBILITY REQUIREMENTS

- a) The University reserves the right to determine what constitutes occupancy.
- b) Housing may be refused to any individual based on their current or past conduct, whether the individual may pose a safety or security risk to persons or property. Housing may also be refused to individuals who have outstanding debts to the university.
- c) A current licensee pre-registered for classes for the following fall semester may retain housing for summer without summer registration.
- d) All occupants of an apartment unit must fall within one of the following categories:
 - i) **UNDERGRADUATE STUDENTS**
This includes any student who is currently enrolled at North Dakota State University, and is not required to live in a residence hall under the on-campus living requirement by the time of occupancy. Please refer to the Residence Life website for more information about this policy.
www.ndsu.edu/reslife/on_campus_living_requirement
 - ii) **GRADUATE STUDENTS**
This includes any graduate (masters or doctoral) student who is currently enrolled at North Dakota State University, and has completed a bachelor's degree program.
 - iii) **POST-DOCTORAL RESEARCH FELLOWS**
This includes any post-doctoral research fellow with written verification of a fellowship. Verification must be provided prior to assignment and every semester thereafter. Post-doctoral research fellows are eligible to live in university apartments for no more than five (5) years from the date of occupancy.
 - iv) **FACULTY, STAFF, VISITING SCHOLARS/RESEARCHERS**
Faculty, staff, and visiting scholars/researchers working at North Dakota State University are eligible to live in university apartments within their first year of employment and for no more than one calendar year from the date of occupancy. Verification of employment must be provided prior to assignment.
 - v) **OTHER APPROVED LICENSEES**
This includes individuals who may have an affiliation to North Dakota State University by way of alternate student status or employment. Determination of qualified affiliations will be subject to approval by the Director of Residence Life or designee. Verification of affiliation must be provided prior to assignment and every semester thereafter.

vi) **FAMILY MEMBERS OF ELIGIBLE LICENSEES**

Licensees who meet the eligibility requirements in sections 2.d.i. through 2.d.v may have spouses and dependent family members reside with them for the duration of their occupancy. A copy of a marriage certificate and/or proof of dependency must be presented prior to occupancy.

- e) A waiting list is established by the desired date of occupancy and the date that the application and application fee are received. No additional priority is given to an applicant based on University status/classification.

3) APPLICATION AND ASSIGNMENT PROCEDURES

- a) A \$200 application fee (check or money order payable to North Dakota State University) must be remitted with a license agreement application to the Director of Residence Life, North Dakota State University, Dept. 3430, PO Box 6050, Fargo, ND 58108-6050. Alternatively, application fees may be paid online at www.ndsu.edu/reslife/apartment_applications. The application fee is applied to the initial rental payment.
- b) The signed apartment application and required fee must be returned to be certain of consideration, but this does not guarantee the applicant an assignment for any specific date. An applicant must secure an NDSU ID number before an application can be processed.
- c) Due to high demand, most apartments have a waiting list for assignments. Apartment assignments are made in the order of desired date of occupancy and the date that applications and fees are received. Final confirmation of housing is subject to admission/employment to the University. Assignment to an apartment does not guarantee admission/employment to the University, and admission/employment to the University does not guarantee an apartment assignment. Acceptance of an apartment assignment is final. At such time the license agreement is signed by the applicant, it becomes the contractual agreement. If an applicant is not immediately assigned, he/she will be placed on the waiting list.
- d) Applicants should indicate their apartment preference on the application by marking the types of apartments they are willing to accept. Preferences may not be ranked. The University reserves the right to assign applicants to the first available apartment based on their application. Therefore, applicants should only apply for the type of apartment(s) that will best suit their needs for the duration of their occupancy. The University reserves the right to change apartment assignments if deemed necessary.
- e) In applications involving family members, the application should be filled out and signed by the primary occupant. The primary occupant is the one whose eligibility will determine the right to occupancy. See sections 2.d.i through 2.d.v.
- f) Falsification of any information will result in cancellation of license agreement or, if assignment has been made, constitutes breach of license agreement.
- g) In order to apply with a roommate(s), applicants agree to the following:
 - i) Each roommate must complete an application and submit an application fee.
 - ii) All roommates must meet eligibility requirements as stated in sections 2.d.i through 2.d.v. Roommates of any gender may reside in any individual apartment.

iii) If one or more roommate(s) cancels this agreement, it is understood that the remaining applicant(s) will be responsible for the total apartment rent. The University retains the option of transferring the remaining applicant(s) to another unit or reassigning the vacancy.

h) Once an apartment is assigned, the applicant will receive notice via e-mail and have ten (10) days to accept or decline the assignment. Failure to respond to an apartment assignment notice may result in forfeiture of the application fee. If the assignment is accepted, failure to occupy the unit may result in forfeiture of application fee.

LOSS OF ELIGIBILITY

- a) If registration as a student is canceled or otherwise terminated, the license granted herein is terminated. If employment with North Dakota State University is terminated, the license granted herein is terminated.
- b) The licensee agrees to vacate their apartment within ten (10) days of the loss of eligibility regardless of circumstances.
- c) Loss of eligibility due to circumstances within a licensee's control including but not limited to graduation from the university, choosing not to register for classes, failure to attend classes resulting in administrative withdrawal, completion of employment term with the university, or conduct violations will result in a breach of agreement fee. See section 11.
- d) Loss of eligibility due to circumstances not within a licensee's control including but not limited to academic suspension or unexpected loss of employment from the university will not result in a breach of agreement fee.

Entry and inspection of apartments by University or law enforcement officials for purposes of discovering violations of University regulations, local, state or federal law will be subject to the University policy expressed in "Rights and Responsibilities of Community: A Code of Student Conduct."
