Greetings…

Warm birthday wishes…
To all the residents celebrating their birthdays in March!

Happy St. Patrick’s day
To all the university apartment residents.

A very fun filled spring break to all.

Laundry room etiquettes

Washers to Use
If the laundry room is busy, then use one washer at a time.

Laundry Basket
Using a laundry basket makes it easier to transport and transfer clothes. Do not leave clothes ON the machine.

Be Prompt,
Keep track of the wash and dry time.

Clean
the dryer lint trap when finished.

Do not spill
the detergent on the floor to prevent people from slipping.

Don't throw
Unclaimed clothes in the garbage. The person who lost a sock may come back and look for it.

Spring break tips

If a trip to Florida isn’t in this year’s budget, here are some ways to make spring break memorable:

- Invite friends to your house for an indoor camping trip.
- Organize your closet or desk
- Learn a new skill
- Rearrange your room.
- Create a movie with your friends.
- Volunteer in community service
- Rent a bunch of totally pointless movies
- Take a tour of the city.
Apartment Snow Removal Procedures

You will learn of snow removal through a memo and an e-mail from the Residence Life Office. Included in this memo will be the date, time and specific lot(s) that will be cleaned. Whenever the accumulation of snow is such that the parking lot(s) need to be cleaned, you will need to move your car to the specific area listed on the memo. If your vehicle has not been moved when the process is ready to begin, it will be towed to the west side of the Niskanen parking lot (UV Residents) or the north end of the R lot (Bison Court Residents). A towing charge will be added to your university account.

Note: In addition to the above information, Spring Break will take place March 16-20. You will need to make plans to move your vehicle during spring break in case snow removal needs to take place. You will need to find someone who is willing to move your vehicle or else it will be towed. Please plan for this eventuality. The excuse that you were out of town and did not see the notice will not excuse you from the charge for towing your vehicle.

University Village Antenna Service

The basic antenna service provided for University Village is no longer in service. This means that if there are problems with your TV reception it is your responsibility to have this repair made. The date for the conversion has been changed to June 16, 2009 so please plan for this by either purchasing a converter box or purchasing a new TV. Answers to questions you may have can be answered at www.dtvtransition.org

Repairs in your Apartment

Please report any repairs issues to the Residence Life Office at 1-7282. If it is after hours or on the weekend, please contact any of the complex managers for assistance.

Spring Break Hours

The University will be open 7:30 a.m. to 4:00 p.m. during spring break. Please make sure you make the necessary changes in your schedule.

Sidewalk Shoveling

Two-bedroom University Village apartments are required to clear their sidewalks with 24 hours after a snowfall. If this is not completed the grounds crew will clear it and a $20 charge will be placed on your student account.

Vacating Notice

BE PREPARED! The end of the semester will be here soon and if you are planning on moving out or are graduating you will need to submit a written 60 day vacating notice. The form is available online at the NDSU website or at the Residence Life Office.
