Please read carefully before completing application.

North Dakota State University is fully committed to equal opportunity in employment decisions and educational programs and activities, in compliance with all applicable federal and state laws and including appropriate affirmative action efforts. North Dakota State University does not discriminate on the basis of age, color, disability, gender expression/identity, genetic information, marital status, national origin, public assistance status, race, religion, sex, sexual orientation, or status as a U.S. veteran. This commitment to equal opportunity includes such areas as admission, counseling, housing, financial aid, co-curricular activities and academic programs. The Department of Residence Life supports this commitment and will not make room assignments or changes contrary to this policy. Our residents share living areas and are roommates with individuals who may have different life experiences and backgrounds. We are not asking that residents change, but that they come with an open mind and are accepting of individual differences.

1 LICENSE
   a The Residence Hall License Agreement creates a license for an individual to use campus housing and is not a lease. The relationship between NDSU and the individual is that of licensor-licensee and not that of landlord-tenant. A license creates a privilege for individuals to use residential housing subject to the conditions of this license agreement and University regulations.

2 ELIGIBILITY
   a A person must meet one or more of the following criteria to be eligible to live on campus in summer housing:
      i) be an enrolled (summer school) student at NDSU
      ii) be working on campus for a university unit/office/department during the summer
      iii) have a Fall 2019 on-campus housing assignment, or
      iv) receive approval by the Director of Residence Life or the Director’s designee
   b Residents must occupy the assigned room and may not sublet or (re)assign the room.
   c All first-year students are required to live on campus. More information about this policy can be found at www.ndsu.edu/reslife.
   d Housing may be refused to any individual based on his/her conduct, and/or whether he/she may pose a safety or security risk to person(s) or property. Housing may also be refused to those who have outstanding debts to the University.

3 APPLICATION PROCEDURE
   a Applicants must remit a $100 reservation fee with the application. Individuals living on campus during the prior spring semester, and those who have applied for housing for the following fall semester, need not submit a new reservation fee. Check or money order payable to North Dakota State University should be sent to the Director of Residence Life, NDSU Dept. 3430, Box 6050, Fargo, ND 58108-6050. An application does not guarantee a room reservation until so notified.
   b Assignment priority is determined according to the date the application and fee (if applicable) are received.
   c The University reserves the right to cancel reservations when a room has not been occupied by the first day of the license agreement period.
   d After moving into the assigned room, the reservation fee is applied to the balance due for the room.
   e Roommate preferences are honored when possible, but no guarantee of roommate matching is made.
   f A room is reserved only for the dates indicated on the application. If a resident needs to adjust the dates of stay, the resident must contact the Department of Residence Life for processing at least two weeks in advance of the requested date.
   g A reservation may be cancelled with a refund of the reservation fee if such request is received at the Department of Residence Life at least two weeks prior to the date indicated as the arrival date. If a reservation is cancelled less than two weeks before the arrival date indicated, the resident is subject to a $100 late cancellation fee.

4 ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES
   a Students with documented disabilities who need accommodations in their residence must contact Disability Services (701-231-8463). Assignments involving accommodations cannot be processed without a recommendation from Disability Services.
   b Requests for accommodations cannot be assured for individuals applying less than 30 days prior to the beginning of the term for which on-campus housing is needed. However, NDSU will make every effort to provide reasonable accommodations.
   c Assignment is based on the accommodations required and the date the license agreement and reservation fee are received.
5 ACCOMMODATIONS FOR STUDENTS BASED ON GENDER IDENTITY/EXPRESSION

a The Department of Residence Life is committed to assisting students who need special accommodations based on gender identity/expression.

b Students who identify as transgender will be contacted by a designated staff member from the Department of Residence Life who will help guide the student through the options for on campus living arrangements. Staff will not ask for more information than is required and will work with the student to find the best suitable arrangement. All disclosed information regarding gender identity/expression will be kept confidential.

c The Residence Life website – ndsu.edu/reslife – has additional details about LGBTQ roommate matching options.

6 ROOM AND BOARD

a This license agreement is for ROOM ONLY. For summer meal options, contact NDSU Dining.

b Summer Room Rates:

$2002 for 13 weeks ($154/week, $22/day)

Charges will be assessed based on a resident’s entire stay.

c Room assignments are made for the dates indicated on the back of the application, and residents are expected to continue residence in the halls for the duration of the license agreement period. The University reserves the right to refund payment, refuse assignment to any applicant, and to make all final room assignment decisions.

d A room assignment will be made by the Hall Director at the time of check-in at the hall.

e Room fees may be paid online through Campus Connection or at NDSU One Stop located at Memorial Union.

7 OCCUPANCY

a An application and corresponding fee (if applicable) must be on file prior to occupancy.

b Rooms must be vacated no later than 6:00 p.m. on August 3, 2019, unless registered to live on campus in the fall. Exceptions to this policy must be approved by the Director of Residence Life or the Director’s designee.

c Room preference type (studio vs. four bedroom) cannot be guaranteed, but typically students who want a studio are able to have one.

d If a resident vacates an assigned room prior to the end of the license agreement period without written consent of the Director of Residence Life, the resident will be held responsible for an additional two weeks of room charges, or for the original length of time requested, whichever is less.

e Guests of the same gender are permitted overnight in a resident’s room. Residents are responsible for behavior of their guests.

f The University assumes no responsibility for loss, theft or damage to personal property. The University strongly recommends purchase of renter’s insurance or an extension of family insurance to cover loss or damage of personal property. The University does not have insurance that covers the personal property of residents or their guests. In addition, residents agree not to hold responsible the University, the Department of Residence Life and its employees and agents from any claims or damages sustained by residents or their guests as a result of acts or omissions relating to any changes or modifications made by residents to their room or furnishings. A resident is financially responsible to the University and other residents for damage, loss, or injury sustained by the University, the Department of Residence Life and its employees and agents as a result of the resident or the resident’s guests’ acts or omissions.

g Any room not occupied during the summer is subject to reassignment. The University reserves the right to determine what constitutes occupancy.

h Any terminations of occupancy or exceptions to this license agreement will be subject to the approval of the Director of Residence Life or the Director’s designee.

i The University reserves the right to transfer residents from one room to another if deemed necessary.

j Residents who have a license agreement on file for fall semester are eligible to extend the summer license agreement until August 10, 2019. Remaining students will move to their fall assignment and register for break housing on August 11, 2019.

8 LICENSE AGREEMENT CANCELLATIONS AND REFUNDS

a An applicant’s reservation may be canceled with a refund of the reservation fee if such request is received at the Department of Residence Life two weeks before the scheduled arrival. Refunds are processed by Customer Account Services.

b Since prior-spring-semester and following-fall-semester students applying for summer housing need not submit the $100 reservation fee, no refund is given to these individuals.

c After checking into a room, any resident who wishes to shorten the length of stay must request to do so no less than two weeks prior to departure. Failure to do so will result in charges equal to the original length of stay requested, or charges equal to two weeks occupancy from the date the new request is made, whichever is less.

d Residents are required to use the “REQUEST FOR RELEASE” form for license agreement cancellations. This form is available at the summer school Hall Office or Department of Residence Life.

9 WITHDRAWAL FROM THE UNIVERSITY

a On or after the first day of classes, authorized room refunds are calculated on a percentage basis and returned to the student, provided all payment obligations to the University have been met. In order to complete the withdrawal process and be eligible for any refund, a student must properly check out of the room according to
established procedure within 24 hours of initiating the withdrawal process.

12 STANDARD REGULATIONS

a Residents are expected to know and abide by the terms and conditions of this license agreement and rules and regulations specified in the Residence Life Handbook/Calendar and the document Rights & Responsibilities of Community: A Code of Student Conduct. Violations of these rules or other inappropriate conduct are handled through the disciplinary process of the residence halls and/or the University and may result in appropriate sanction(s) that may include the termination of this license agreement.

b Residents are responsible for damages and/or loss to residence hall property resulting from negligence or misuse.
