Community Building

Please remember to write an intentional conversation for any resident concerns or celebrations.

Resident Concerns:

Resident Celebrations:

LEARNING MOMENT (Non-traditional BB)

1. Please insert a picture or describe the way you shared information with your residents regarding cleanliness.
2. What conversations occurred related to the content you shared?
3. What tactics can you use in the future for additional learning moments?
4. How did your residents respond to a more informal learning style?

Sociogram & Reflection

1. Use a floor plan or draw out something that looks like your floor.
2. Identify each resident by writing their name in the room.

- Underline in **black** the names of residents who seem to be active in the community.
- Draw **green lines** to connect people that spend a lot of time together.
- Draw a **blue circle** around names of emerging leaders or individuals who have expressed interest in leadership opportunities.
- Outline in **orange** the names of residents who attended welcome week events.
- Draw **red** triangles next to rooms where you have had little interaction with the residents.

After you have completed the Sociogram above, answer the following questions.

If there are residents you haven't met yet, what has kept you from meeting them?

Do you have any initial observations about your floor community?

Which resident(s) do you think could make great RAs? Please include Name and room number.
