## THANK YOU AND LOOKING AHEAD

We would like to take a moment to thank all of the students for a terrific fall semester. Take a moment to think back to what went well and what you wish could have been different last semester. It could have been a class that didn't go as planned or a stressful time due to adjusting to a different environment. It is now a new year, meaning that it is a great time to start good habits that will help you to be successful and to enjoy your next semester here at NDSU.

## LEADERSHIP OPPORTUNITIES AND REMINDERS

### Reminders

This a new semester, which means new classes, new schedules, and new opportunities. Consider joining new organizations, pursuing leadership opportunities, and most importantly setting yourself up to be successful in this new semester. Please consider attending hall government meetings and events as well as other campus-wide events throughout the year. You never know who you can meet, what you can learn, or the fun you can have unless you take the time to go.

Have fun and best of luck this semester!

## SERVICE HIGHLIGHT

You all have access to a wide selection of movies and TV shows while in the residence halls and connected to campus internet. Remember that you can also vote on which movies are available by liking us on Facebook and voting when the polls are active each month.

# HALL SPOTLIGHTS

We are going to highlight the great things that have been going on in residence halls around campus. This will include pictures and descriptions of the events to help inspire ideas and reward the students' hard work.

## DINAN

Dinan Hall planned a Thanksharing event on December 9th during dead week. They celebrated their cultural differences while coming together to discuss similarities. This event was based around holidays that occur in the fall and winter seasons.

There was a photo booth to write down New Years Resolutions. There was a cookie decorating table to discuss different holiday treats and foods their families make. There was a mini stocking decorating station where traditions of the holiday season were discussed. They also made door decorations to show individuality with art! Apple cider and a caramel apple bar were provided and devoured. After all the events they played a game of winter themed bingo. The cards were winter themed like snowmen, mittens, and ice.

The feedback we got back from the residents who attended was all positive. This event was a big hit thanks to our Hall Government team who are shown in the picture.

## WEIBLE

Weible decided to have a Craft Night in order to provide residents with fun activity in the lounge complete with popcorn. The residents made cards, masks, turkeys, and other assorted crafts as a fun and relaxing time.
