Thank you to all the members of hall government and of the halls who helped welcome the children to our campus on October 27th. From having candy and allowing children to trick-or-treat at your rooms to having a booth in the carnival in the Mathew Living Learning Center, this event was made successful because of you. We, in RHA, and the Fargo-Moorhead Community want to thank you for helping give children a safe fun experience during the Halloween season.

INFORMATION TECHNOLOGY SERVICES

Don’t get hooked by phishing scams!

Phishing is a cybercriminal attempt to steal personal and financial information or infect your devices with malware and viruses. If you reply or click on a malicious link in a phishing email, you open the door to cyber criminals to steal your personal information, including banking information or other account usernames and passwords.

Visit www.ndsu.edu/its/phishing to learn about phishing strategies and consequences, how to identify phishing scams, and what to do if you get hooked. If you receive a suspicious email, forward it to ndsu.reportaphish@ndsu.edu. The NDSU IT Security team will help determine whether or not the email is legitimate. If you think you have been hooked by a phishing scam, immediately contact the NDSU IT Help Desk at ndsu.helpdesk@ndsu.edu or 701-231-8685.
Sevrinson has been holding board game nights 7:30pm on Fridays, in the first floor TV room. Sevrinson also held a pumpkin and 1st floor decorating event on October 22nd. Recently, Sevrinson had two Caramel Apple nights (on a Tuesday and a Friday), which were delicious and successful.

Here are some photos from our Cupcake Diversity Event! Seim residents decorated their own cupcake based on what they liked/interested in. For example, green frosting meant you enjoy the outdoors; blue frosting meant you like photography/reading. It was a great turn out and of course delicious cupcakes!

Reed/Johnson and Weible had a Halloween Dance on Halloween night. The event was open to students from both of the halls. It featured a dance with games and food.
