Residence Hall
Association

Volume 1, Issue 2
September 2016

THANK YOU

The Residence Hall Association Executive Board would like to thank everybody for coming to the events throughout Welcome Week. We hope that you all enjoyed the events and created some memories to add to your life here at North Dakota State University. We look forward to seeing all the great things that you will be during this year.

Thank you again and best of luck with your 2016-2017 school year,

The Residence Hall Association Executive Board

HOMEcoming

We would like to take a moment to recognize the Homecoming Court nominees from RHA. For King, we have nominated our President, Jordan Krill. For Queen, we have nominated the NRHH President/Liaison, Emily Leseman.

For Homecoming Week (September 26-October 1), each hall will have the opportunity to decorate their lobbies and create a yard sign that demonstrates Bison Pride. RHA will also be having a float in the Homecoming Parade and there will be an opportunity to decorate and be a part of that experience. More information will be coming out shortly on how you can be involved.

There will also be a Homecoming Dance on October 1st at 9:30 pm. Please come for a night of food, fun, and dancing.

CONGRATULATIONS

We would like to thank everybody that ran and/or voted during Hall Government elections. Congratulations to those who were elected to represent their halls in a variety of positions. We look forward to working with all of you throughout this year!

RESIDENCE LIFE CINEMA

MESSAGES FROM AROUND CAMPUS

DINING

The Residence Dining Center is in the process of being expanded this year. The expansion will add two hundred additional seats as well as new public restrooms, a new employee locker room, and new administrative offices for Dining Staff. There will also be a meeting room where groups can request to meet and dine together.

The construction is on pace to finish by May 2017.

Another area of Dining that has been changed recently takes place in the Memorial Union. The restaurant “**Get Chopped” Or Not** has moved from the main floor down to the basement. Stop by to enjoy our specialty salads.

ATHLETICS-BISON REWARDS APP

Have you downloaded the Bison Rewards App yet? This app allows you to check in at athletic events to earn points toward getting some great prizes. One awesome prize is for residence halls specifically. When you create an account, you are able to select your hall. The hall with the most points at the end of the year wins a **\$500 Pizza Party**. So please download the app and support your athletics teams here at NDSU.

For a complete list of prizes, FAQ's, and rules and regulations visit <http://sites.superfanu.com/bisonrewards/> or contact Derrick Lang, Assistant Director of Marketing and Fan Engagement, at derrick.lang@ndsu.edu.

INFORMATION TECHNOLOGY SERVICES

TechXploration Resource Fair

When? Noon – 3 p.m. Thursday, Sept. 15

Where? Great Plains Ballroom, Memorial Union

Explore and discover campus technologies that can enhance your NDSU experience. Highlights include a drone demo, augmented reality sand table, GoPro cameras, virtual reality online gaming, and more!

CODE: Debugging the Gender Gap

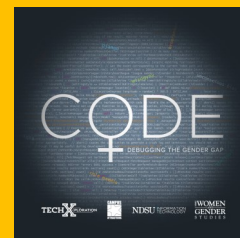

What? Film Screening + Panel Discussion

Where? Century Theater, Memorial Union

When? 5:30 p.m. Wednesday, Sept. 14

CODE documentary exposes the dearth of American female and minority software engineers and explores the reasons for this gender gap and digital divide. The film highlights breakthrough efforts that are producing more diverse programmers and shows how this critical gap can be closed. CODE asks: what would society gain from having more women and minorities code and how do we get there?

The film screening will be followed by a panel discussion with NDSU faculty members and a student leader who are committed to increasing gender diversity in tech fields.

COME VISIT THE EXECUTIVE BOARD

Our office is located in Seim Hall (just dial the office number on the phone in the doorway to get in). We would be happy to answer your questions about student leadership opportunities.
