The Residence Hall Association Executive Board would like to thank everybody for coming to the events throughout Welcome Week. Most of the events had the same amount in attendance or attendance was increased! Thank you for making the Welcome Week events a huge success from the Hypnotist to the RHA Block Party to the NRHH Campus Clean up! We greatly appreciate it and hope to see you all at future events! We hope that you all enjoyed the events and created some memories to add to your life here at North Dakota State University. We look forward to seeing all the great things that you will be during this year.

Thank you again and best of luck with your 2017-2018 school year,
The Residence Hall Association Executive Board

NATIONAL RESIDENCE HALL HONORARY

Have someone you would like to recognize but aren't sure how? Then I have a solution for you! Write an OTM! What is an OTM you ask? OTM stands for “Of the Month” and it is used to recognize individuals, groups, programs, and their contributions to the residence halls!

How can you sign up to write an OTM? Simply go to <https://otms.nrhh.org> and click ‘create account’. Once your account is authorized you will be able to recognize as many people as you would like!

OTMs that you would like to write for the month of August are due **September 5th at 11:59pm!** When you are writing an OTM about an individual or program make sure what you are writing about took place during the month you are writing one for!

MEET THE RESIDENCE LIFE STAFF!

Carin Engler is the Administrative Clerk. She purchases supplies for events held in the halls and apartments. This could be anything from buying cookies, ordering pizza, and placing orders on Amazon! She also helps with the hiring of Student Staff. She does this by setting up the applications, emails, and interview schedules in the eRez Life system.

What does Carin enjoy most about working at NDSU and in Residence Life? She enjoys getting to know the student staff and loves it when they stop by to chat with them in the office. She also enjoys being on the NDSU Staff Senate. They try to plan events that focus on staff appreciation, fun learning opportunities, and recognition. She has worked in the Residence Life office for 5 years.

Three fun facts: Her husband Mark teaches Theater at NDSU. She has twins that are juniors at North High. She has a dog named Gary.
