   H. Staff Recognition by April Helgaas – Currently planning for the staff recognition award nominations. They hope to have applications open by end of this week so the nomination review process can be done by March 6th. April 4th is the event date. The review of the Campus Kudos selection process is being reviewed still but will be on the back burner as they plan for the staff recognition awards.
   I. Campus Engagement by Krista Olson – Last blood drive from December produced 14 donations and all time slots were filled. Krista received phone calls from some as they wanted to donate but since slots
were full, they couldn’t. This has to do with limited phlebotomists. Next blood drive is scheduled for March 12th 1-3:45pm.

J. Gunkelman Award by Megan Ramsett – No report.

K. Environmental Sustainability by Kate Nelson DeShaw – Committee hosted their second panel event back in December. There were about 30 people in attendance and good questions were asked. An audio recording of the event is posted on our website. The next panel is scheduled for March 6th and the topic is composting. The committee is still working on panelists as some were not available so if you know anyone, please let the committee know. During the whole month of February, the NDSU Bookstore will not use plastic bags and have received some reusable bags as donations to use during the month instead.

L. Senate Coordinating Council by Amanda Booher – No report.

M. State Staff Senate by Naomi Kosen – Andy Wakeford met with all 11 campuses and wrote a letter to state board about what he learned/heard-staff are still reporting morale issues because of increased workload, no salary increases, and insurance questions-many looking at private sector jobs. He also reiterated that staff members care and are paying attention to what’s going on. Don Morton will attend the next SSS meeting from here at NDSU on February 11 at 2:30pm if anyone else would like to join.

N. Joint Committees
   1. Campus Space and Facilities – No report.
   2. Library by Jessica Rose – No report.
   4. Learning Space Advisory Committee by Wendy Leach – Committee meets only once a semester. Classroom utilization data was shared by Mike Ellingson. Committee members suggested that they would like departments to get on board with sharing equipment but obviously some might need the equipment at the same time. There are about 124 conference rooms on campus so question was asked if NDSU could start utilizing those for the small classes to open up large classrooms being used for these small classes. Some senators raised concerns about the conference rooms not being available to the department when needed if this happens.

XIII. Executive Committee by Gennifer Baker & Amanda Booher – Amanda announced that the executive committee will be meeting with President Bresciani on February 12th. Gennifer spoke about the listserv changes we decided to make so the spam emails don’t get sent to all on the senate listserv.
