A message from NDSU President Dean Bresciani

Our outstanding faculty and staff can proudly and accurately state that NDSU is among the nation’s best universities.

As proof of that, I recently attended a White House staff briefing limited to presidents of top tier institutions. No North Dakota university had ever before sat at those tables. In addition, the National Science Foundation has ranked NDSU as the most productive research institution in the state.

But what we have already achieved and contributed to our state and nation, at record levels, is just the beginning of what we can do.

I urge you to join me in four commitments for the future. We must work to:

- Solidify and advance NDSU’s standing in the top 100 research universities in the nation,
- Better retain, graduate on time and place in jobs the best student class profiles in NDSU history at both the undergraduate and graduate levels,
- Increasingly draw new talent to North Dakota who will be a positive part of shaping North Dakota’s future on a long-term basis and
- Continue to be, and clearly demonstrate there is no greater single economic engine in the state than NDSU.

These four commitments are the ways a truly student-focused, land-grant research university enriches its state. We excel, we nurture and we ignite positive change. We empower, we equip and we enrich the people we serve.

It’s popular these days to talk of return on investment. I’d say transforming lives for the good of the state and nation is a pretty good payoff. The possibilities of the future, and the opportunity to realize that vision, are ours.

Thank you for your hard work and dedication to this remarkable university. By working together, we are accomplishing great things.

Dean L Bresciani
President

Staff Senate Mission Statement: NDSU Staff Senate addresses the needs and aspirations of university staff by promoting a progressive campus environment.
A message from Staff Senate President LaDonna DeGeldere

NDSU Staff Senate addresses the needs and aspirations of university staff by promoting a progressive campus environment.

This, the mission of Staff Senate, and communicating in a common voice on behalf of all staff employees, is a priority of the Senate.

Being a part of Staff Senate offers many benefits to its members, including the opportunity to meet colleagues from across the university, achieve personal growth through leadership opportunities, and gain personal fulfillment by participating in professional development opportunities provided through the Senate.

I encourage all staff interested in being involved with Staff Senate to run for a seat, attend a Senate meeting, or join a Staff Senate committee. It is a great opportunity to meet campus colleagues and to play a role in creating a better university community. Senate meetings are open to all staff to attend and are held monthly.

I would like to express my appreciation for the hard work and dedication of our colleagues across campus. Your commitment to the Bison family and to NDSU is astounding!

Visit www.ndsu.edu/staff_senate for more information about our meeting schedule, and check out what Staff Senate has to offer.

Walk with Staff Senate and leave a POSITIVE footprint!

NDSU United Way campaign under way
By Steve Bergeson

The annual NDSU United Way of Cass-Clay campaign has begun. Unit coordinators are in the process of contacting employees, seeking their participation and providing information. NDSU’s 2012 United Way campaign goal is $111,200—a 3 percent increase from last year.

In a letter to university personnel, President Dean L. Bresciani urged employees to contribute. “The people of NDSU have a strong, proud history of stepping up to help others,” he wrote. “As a land-grant institution, we have a tradition of reaching out to serve others and that heritage is intertwined with our personal compassion and respect for our neighbors. It is in our nature to care.”

United Way donations fund 75 programs of 43 local agencies. NDSU employees will again have the opportunity to contribute electronically, through ePledging. Online pledging ends Dec. 14.

Char Goodyear, assistant to the vice president for University Relations, serves as campus campaign coordinator again this year. “As a long-time staff member, I often reflect on how lucky I am to work at NDSU—for the salary, benefits and amazing co-workers. Others in our local community are not so lucky,” she said. “As you make your decision on giving this year, please take a moment to reflect on your own situation. Please join me in donating to the United Way campaign. When we reach out a hand to one, we influence the condition of all. That’s what it means to ‘Live United.’”

This year, United Way of Cass-Clay added an education component to its campaign board for the first time. Professor Kevin McCaul was named to represent NDSU, and he also leads the university’s Key Club campaign, which is also under way.

“We are an important part of the local community, and I can think of no better way to reach out to that community than through United Way,” McCaul said. “Besides that reason for donating, United Way supports an incredible range of charities in our area—our gifts have such a huge value.”

United Way programs with direct connections to NDSU include Gearing Up for Kindergarten and RSVP+, which are both directed and coordinated by university personnel. Gearing Up for Kindergarten is a parent and family education program that supports child development, school readiness and healthy parenting. RSVP+ is a federally and locally funded program that connects agencies with needs to volunteers with skills. The program’s Southern Valley section serves Cass, Barnes, Griggs, Ransom, Sargent, Richland, Steele and Traill Counties of North Dakota and Clay County of Minnesota.

For more information on the NDSU United Way campaign, contact Goodyear at char.goodyear@ndsu.edu. Information is also available on the NDSU campaign website, www.ndsu.edu/president/unitedwaycampaign.

2012 State Employee recognition week
By Mary Asheim

State Employee Recognition Week, Sept. 10-14, 2012, was the perfect occasion for the NDSU Staff Senate Public Relations Committee to promote the spirit of appreciation and recognition to all employees on the NDSU campus.

Senators sold candy bars with preprinted corresponding cards at a contact table in the Memorial Union. Staff, faculty, or students could purchase the appreciation cards, sign and add a personal note, and give them to coworkers and colleagues in appreciation for all their hard work. This was a great opportunity for the entire NDSU community to get involved with saying thank-you to fellow employees.

The funds raised from this fundraiser were used to purchase the pencils that were given away during the NDSU Homecoming Parade.

Thanks, everyone, for your support!
Staff Senate Homecoming parade float cheers on the herd!

By Lynn Ehlen

The Staff Senate float in the Homecoming Parade on October 6 truly exemplified the spirit of #bisonnation. A large map of the United States, with footballs pinpointing the locations of our away games, was the backdrop of the float and showed the Bison Nation well on its way to Frisco, Texas. Along both sides of the float were tall block letters that spelled out “STAFF SENATE,” so we were easily identified as the float passed by. The back of the float displayed the motto, “For the strength of the Herd is the Bison, and the strength of the Bison is the Herd.”

It was a beautiful day to ride on the float, and everyone who participated had a great time. Pencils with the Staff Senate web address were handed out to the spectators.

Homecoming Committee members are: Vicki Miller, chair, Vince Anderson, Adam Christianson, Marilyn Dowdy, Lynn Ehlen, Jeanne Erickson, Bill Lenarz, Jerie Little, Deven Styczynski, and Elizabeth Worth.

The committee would also like to thank all who helped with the construction and/or promoted Staff Senate by riding on the float.
