Welcome to the 2007-2008 academic school year at North Dakota State University. Staff, students, and faculty all are anticipating another lively, productive year on campus. Staff enjoyed a busy summer finishing business from last year and preparing for the students’ return to campus.

As President Chapman has told us many times, we are the “front line” for the campus. As “front liners” we are the point-of-first-contact for nearly all students, parents and the community each day. The impression we make is crucial if they are to have a good experience and positive feelings about NDSU. As a proud member of the NDSU family, I, too, am one of many “front liners” who go the extra mile daily to welcome, assist and ensure that students know they are part of the “family.”

As staff, Staff Senate is our voice—a respected, active voice on campus. Our input on campus issues is important and valued. Not only does Staff Senate handle current and future campus issues, it also plans and delivers a variety of staff development and informational opportunities throughout the year, including a special professional development event in February. The day-long event at the Memorial Union is open to all NDSU staff and includes guest speakers, a variety of topics with breakout sessions, a delicious lunch, and a perfect opportunity to become better acquainted with fellow staff members.

One of the very best ways to get involved on campus is to serve as a senator to Staff Senate. Senators join colleagues from all around the campus to work on a wide variety of rewarding projects and learn firsthand how changes and decisions are made for the University. I challenge you today—take the leap and run for a Staff Senate seat!

All members of the NDSU staff are welcome and encouraged to attend the monthly Staff Senate meetings (which include a program or guest speaker, reports from the various committees, and updates on issues in the campus community) and any of the many activities offered during the year.

As we continue our conscientious work here at the university, we look forward to another great year at North Dakota State. Thank you for all you do!

Take a Leap—Run for a Seat!
by Steve Bergeson, University Relations

The NDSU Staff Senate is seeking nominations for three vacant positions for employees in either the 6000/Crafts and Trade band or 7000/Service band. In addition, there is one vacancy in the 1000/3000 Administrative, Managerial and Professional band, due to a Senator leaving campus. Staff Senate plans to fill the positions through an election process at its Oct. 10 meeting.

Nominators are asked to check with the person they are nominating before sending in the nomination. Prior to being nominated, interested staff are encouraged to discuss with their supervisors the opportunity of serving on Staff Senate.

At its Sept. 12 meeting, the Staff Senate voted to change its bylaws to merge the 6000 and 7000 bands for staff representation. The move came after a series of elections with fewer 7000 band candidates than needed to fill the number of vacancies.

"This a great way to serve the university, while meeting some wonderful people from across campus," said Barb Geeslin, Staff Senate president. "I encourage people in the 6000 and 7000 bands and 1000/3000 band to consider the opportunity to run for Staff Senate."

Nominations for the three slots representing the 6000/Crafts and Trade and 7000/Service bands and the opening in the 1000/3000 Administrative, Managerial band will be accepted through 5 p.m., Tuesday, Oct. 9, or interested persons are encouraged to attend the Staff Senate meeting scheduled for 9:30 a.m. Wednesday, Oct. 10, in the Memorial Union Prairie Rose Room to nominate themselves. Nominations may be forwarded to Heather Heger, Staff Senate membership officer, at 1-8293 or Steve Bergeson, past president and election committee chair, at 1-6101.

The NDSU Staff Senate is comprised of 5 percent of the regular, benefited employees elected at large. Senators are normally elected for terms of two years, with approximately half of the Senators elected each year.

Professional Development Grants Available

NDSU staff members are encouraged to take advantage of opportunities for professional development.

The NDSU Office of the President is once again accepting proposals for professional development grants of up to $1,000 to be used for travel to a professional conference.

Full-time staff members not on probation as well as faculty members are eligible to receive one of these grants during the fiscal year. Applications must be received by May 31, 2008, and travel must be completed by June 30, 2008.

To request this grant, submit a one page proposal prior to the travel describing the conference and how it will enhance your professional development. Include the location, dates, and a breakdown of the anticipated expenses. Do not send any additional paperwork. Your request must be pre-approved by both your department head or supervisor, and your dean or director before submission to the President’s office.

After a request is approved and the travel is completed, one must forward a completed Travel Expense Voucher and/or Accounts Payable Voucher to the President’s office for funding. It will then be forwarded to Accounting for payment. Existing accounting guidelines must be followed for reimbursements.

Questions should be directed to Barb Pederson at 231-8522.
