

MISSION STATEMENT:

To support the academic mission of the university by increasing and sustaining all aspects of campus well-being.

VISION STATEMENT:

We envision a vibrant university environment where well-being is a shared responsibility for the entire campus community.

THE ULTIMATE OUTCOMES OF OUR SHARED WORK:

NDSU is a campus community of well-being for students, faculty, staff, families, visitors and alumni.

WELL-BEING IS A DYNAMIC, HIGHLY INTERDEPENDENT STATE THAT IS CREATED AT THE INTERSECTION OF HEALTH IN PERSON, PLACE AND PLANET.

We want to help make NDSU a supportive environment where all are empowered to advance well-being.

Because this can look and feel different for everyone, we ask you to consider:

- What does well-being mean to you?
- How can you be a part of creating a campus of well-being?
