CAREERlink allows students to view and apply to hundreds of professional opportunities, including internships and full-time positions. It’s free to enroll and currently over 313 internships and full-time jobs are posted.
One, two buckle my shoe, three, four shut the door. If your son or daughter comes home with a resume of this length, don’t fret, because the door will not be shut on them.
ANSWER: What is 1-2 pages?

Undergraduate students will generally have a 1 page resume throughout the duration of their academic career. However, there are some students who will need and qualify for a 2 page resume... just remember... you MUST be able to fill a full 2 pages in order to have a 2 page document.
A fancy word for an additional document, which your references should call “home.”
ANSWER: What is an addendum?

Your references should not be listed on your resume, they should be an addendum to your resume and there is no reason for the phrase References: “Available upon request.” to appear on your resume.
An English paper has 3 parts, a quartet has 4 members, and a well-written resume has this many essential components.
