

ICC students are encouraged to connect with NDSU admission and engineering advisors one full semester prior to transfer
Engineering Advisor: Joel.Hanson@ndsu.edu **Transfer Recruitment:** john.e.hest@ndsu.edu

- ICC students are encouraged to complete their Associates Degree prior to transferring to NDSU. Completing the Associates of Arts (AA) degree, Associates of Science (AS) degree, or the MN Transfer Curriculum prior to transferring will satisfy NDSU's required lower division Gen Ed credits (39 credits) upon transfer.
- Visit www.ndsu.edu/transfer, select "Transfer Resources", then "Transfer Evaluation System (TES)", then navigate to ICC to see ICC/NDSU equivalencies.
- Additional course substitutions may be available. ICC students must meet with NDSU dept advisor to review transfer work.
- Program requirements change periodically. It is the student's responsibility to be in contact with advisors from both institutions to obtain the most current program information to help ensure a smooth transfer.

Civil Engineering Program NOTES

- No grades less than "C" accepted in Statics, Dynamics, Mechanics of Materials, and Math courses
- Students transferring into Civil Engr are required to take either ENGR 311 (A) or ENGR 312 (B/G) regardless of Gen Ed completion.

The Humanities & Fine Arts	3	NEED 6 credits in each of the following categories: Humanities & Fine Arts <u>and</u> Social/Behavioral Sciences. Also need a Cultural Diversity (D) <u>and</u> a Global Perspectives (G) designated course. Certain (D) and (G) courses double count for categories (A) or (B). *No more than 3 of the 6 Humanities & the Fine Arts credits may be in fine arts performance. Students transferring into Civil Engr are required to take either ENGR 311 (A) or ENGR 312 (B/G) regardless of Gen Ed completion.
