

Dear Veteran,

Welcome to Veterans Educational Training Online. We are excited you have joined us. The topics that are offered for tutoring are Computer Skills, English/Writing, and Math.

Computer skills will be the first thing to be reviewed. Please click on the Computer Skills icon.

If your computer skills are strong, you may wish to skip this section

For English/writing and math sections, we recommend a pre-assessment before starting the tutoring. The pre-assessment and lessons can be accessed in www.March2Success.com.

The instructions to register and complete the pre-assessment are attached to this email.

When registering in March2Success, please use the following:

USER ID: Last

PASSWORD: Veteran1

We look forward to working with you.

PRE-ASSESSMENTS

Let's Get Started!

This course is designed to make the most out of your time by focusing only on the areas you need to study. Once you complete a pre-assessment, you will be brought to your Learning Path Landing Page; this page will include all lessons that have been assigned to you, as well as access to the other pre-assessments for this exam. Once you have completed all of your lessons, go to the "Tests" tab at the top of the course to access three full-length practice tests. After each test, be sure to return to the lessons for the areas you still may not have mastered.

To begin, select one of the pre-assessments on the right. Good luck!
