The FACE Award

(Finance and Administration Conscientious Effort)

A Staff recognition award within the Division of Finance and Administration

The Second Induction – 2010

The success of the Division of Finance and Administration is built on the energy and commitment of our staff to NDSU. We want to put the face together with the spirit of those exemplary individuals whose personal integrity motivates them to go 'above and beyond', who have reached the 'next level' of accomplishment. They have the tools, talent and ability to change their immediate world and the world of their coworkers and clients.

Professional, administrative, clerical, technical, crafts, trades or building services, these are all faces of the Division of Finance and Administration.

We are asking you to nominate staff members (anyone below the Director and/or Manager level) from any of the Departments within the Division of Finance and Administration: Accounting/Accounts Payable, Customer Account Services/Accounts Receivable, Budget, Grants and Contracts, Facilities Management (administration, building services, trades, etc.), Human Resources/Payroll, Purchasing, Police & Safety, Student Loan Services and the VPFA’s administrative support staff.

Yes! You can nominate more than one individual, but each nomination must be on its own Word template and electronically sent (or physically signed and mailed) by only one person.

If there are a number of people in your department who feel strongly about making a particular nomination, we ask that each person write from their own perspective and submit independently.

NEW!! In this second award season, we are providing the opportunity to submit your nominations electronically or in hard-copy. Please visit the Vice-President for Finance and Administration website at: http://www.ndsu.edu/vpfa/face_award. It will provide you with guidelines and the template for your written narrative and instructions for submission.

For questions, please contact the FACE Nominations Committee:
