Vice President Alvarez called the meeting to order at 5:00 and asked for introductions from all in attendance.

VP Alvarez, Lonbaken, Oster-Aaland and Stoskopf presented on overview of ABSA, the Division of Student Affairs.

ABSA members were given the opportunity to ask questions.

Chair Corey Haller informed the group a vice-chair would be selected at the next meeting. Members interested should be enrolled for the 2015-16 academic year.

Topics for meetings for the remainder of the year were discussed.

- All agreed Provost Ingram would be a logical speaker for the October meeting
- The idea of inviting representatives from the city of Fargo was discussed. A possible panel was discussed to include a city commissioner (Mike Williams), a Roosevelt Neighborhood Association representative (Josh Boschee), Deputy Mayor (Dr. Mahoney), and a representative from the Fargo PD (Keith Ternes or a representative).
- Another idea was raised related to sexual assault due to the high level of publicity this issue is receiving right now and the updated requirements to Title IX. Janna Stoskopf and Sarah Dodd were mentioned as possible speakers. Janna reported that Sarah Dodd's new required sexual assault training had reached over 80% of the required attendees.

Future meeting dates will be set at 5:00 pm. Watch your email for a meeting invitation from LaDonna.

The meeting was adjourned at 6:55 pm.

Respectfully Submitted,
Laura Oster-Aaland
Dean of Enrollment Management
