NDSU Intramural Sports

Intramural sports are a component of the Campus Recreation and Intramural Sports program within the Wellness Center. Intramural sports offer a variety of experiences for students, faculty and staff including individual, dual, and team activities. These activities include opportunities for men, women and co-recreational teams. The competitive atmosphere of intramural sports challenges students, but remains recreational in nature. The intramural sports staff works hard to provide quality experiences for all students. It is the belief of the program that winning a contest is not as important as the participant enjoying the contest while playing within the spirit of the rules. This theme is woven through all intramural sports programming and decision making at the Wellness Center.

NDSU intramural sports uses rules and regulations from the National Intramural and Recreational Sports Association (NIRSA). NIRSA is an organization that unites recreational sports professionals across the country and provides leadership and professional growth opportunities for students. NIRSA also hosts extramural tournaments for basketball, flag football, soccer, and tennis. For more information on NIRSA or competing in one of the tournaments, see the Coordinator of Campus Recreation and Intramural Sports.

Intramural Sports Office/Contact Information

The Campus Recreation and Intramural Sports Office is located behind the Recreation Desk, within the Wellness Center.

- Phone: (701) 231-7384
- Email: ethan.green@ndsu.edu
- Meetings may be scheduled during regular NDSU office hours. Meetings need to be set up at least one day in advance.

IMLeagues

All participants must create an account through IMLeagues, in order to participate in the Intramural Sports program. All information regarding program activities including; registrations, schedules, rules, and playoff brackets can be found at https://wellnessportal.ndsu.edu

Creating a Team

- All players must pay their personal fee, in order to be eligible to participate. No players are allowed to play until payment is received.
- The cost of Intramural events is $7.50 per person per sport. A yearly, unlimited pass is available for $25.00. Fees collected are used directly to operate each program.
- All teams must meet minimum player requirements on IMLeagues by 11:59 pm on the deadline day in order to be approved (see table below). Teams will be placed into leagues on a first-come, first-served basis.
- There are no refunds after signing up for an intramural sport, except due to weather cancellations.
- If too many teams register for a league, the teams that can’t move into a division will stay on the wait list. Wait listed teams will be contacted only if a spot opens within the league.
- It is the responsibility of team captain to submit an appropriate team name. Names that include inappropriate language or references will be removed. Teams will be given one extra attempt to
change their name if their first team name is not approved. If the second team name is not approved then the intramural department will select the team name. See “team names” for further information.

*When there is a split ratio the teams can choose if they have more male or more female participants. It is each team’s choice.

Incident Policy

Intramural sports participants must be aware of the possibility of accidents and injuries, which are inherent to recreational and sporting activities. Moreover, participants should follow the instructions of a physician concerning their participation in athletic events.

The university is not responsible for injuries incurred to Intramural sports participants or spectators while competing in Intramural activities. We recommend that each participant carry health and accident insurance.

Intramural Sports Officials will stop play when an injury resulting in open blood flow occurs, or when the injury can be compounded by further play (a participant down on the playing surface). Participants may not compete with open wounds or when wearing clothing that contains any amount of blood or other bodily fluid (other than perspiration). Campus Recreation reserves the right to remove and keep players from competition after any injury. We will also remove participants who we see showing signs or symptoms of a concussion. We recommend participants seek medical attention for all injuries and may require a signed medical clearance from licensed practitioner before a participant is allowed to return to play. All accidents and injuries must be reported to the intramural supervisor on duty. An incident report form must be completed and signed.

Conduct

All students are expected to comply with the Student Code of Conduct and Wellness Center policies. Violations of the Student Code of Conduct will be reported. Reported violations will be handled according to the process outlined in the Student Code of Conduct. Violations of Wellness Center policies will be handled by the Wellness Center staff. We expect all participants and spectators to show a high
degree of sportsmanship. This includes respect to authority, other participants and other spectators. The Intramural Sports staff may cite any participant or spectator with acts of unsportsmanlike conduct, and we may link spectators to participants for the purposes of assessing penalties. The intramural sports staff may eject participants and spectators from any contest and/or event facility for acts of unsportsman-like conduct.

In cases of improper conduct, individuals may be suspended from competing and/or observing intramural activities for any period of time. Those ejected may not participate in any further intramural sports activities until a conduct hearing has been completed with Wellness Center staff. Any person ejected from competition two times during the academic year (in any sport/event or combination thereof) will be suspended for the remainder of the academic year. If the ejection occurs at the end of the school year, the penalty can carry over to the next school year, if warranted. Further disciplinary action may be imposed through the conduct process as outlined in the Student Code of Conduct.

In accordance with University policy, fighting and malicious contact are strictly prohibited at Intramural contests. University Police will be called immediately to determine appropriate action. Those involved in fights will receive suspensions from Intramural competition for at least a semester and will be reported. Those who threaten or initiate acts of aggression toward officials or other applicable authority will be reported, suspended from the intramural sports program and University Police will be called. In accordance with University policy, participants are responsible for intentional or negligent damage to personal and public property.

Alcohol, Drugs, Tobacco
NDSU Intramural Sports has a zero tolerance policy for alcohol, tobacco, or any other drug at intramural events on or off campus. Furthermore, Wellness Center staff reserves the right to remove participants or fans suspected to be under the influence of drugs or alcohol. The removal process may involve the assistance of authorities such as the University Police department.

Eligibility Exceptions and Restrictions
Any student, staff, or faculty is allowed to participate in intramural sports with the following exceptions and restrictions:

- Must be a current NDSU student or be a valid NDSU faculty/staff member who has already purchased a membership to the Wellness Center.
- A current NDSU ID is required at all events. Participants unable to present a current NDSU ID will not be allowed to play until it is shown.
- Tri-college students are not allowed to participate in NDSU intramural sporting events.
- An individual may participate on only one team per sport. The team which they first represent will be the only team they may play on for the remainder of the sport. An individual may participate on one men or women’s team and a co-recreational team.
- Any team that allows an ineligible player to play will forfeit that game, even if found out post game.
- Additions to the roster are allowed throughout the entire regular season. Once a participant has checked into at least one game, they are on the roster for the remainder of the season. Changes must be added/accepted online. No roster additions can be made once the playoffs begin.
• Students whose names appear on an official inter-collegiate varsity or junior varsity squad list are ineligible to play for a period of one year in their respective sport (includes red-shirts). These players are also ineligible to receive any championship prizes (intramural championship t-shirts).
• Current club sport members may participate in their related sport. However, a maximum of 2 (1 female/1 male for corec sports) are allowed per team roster in all sports.
• Professional athletes are banned from their related sport for a period of five years.
• Ejected players are suspended from all intramural activities until reinstated by the Campus Recreation and Intramural Sports Coordinator.
• A participant is not eligible to compete in an intramural sport event unless all pertinent information is provided through IMLeagues and on the team roster, by the designated roster deadline time, for that specific sport.

Penalties
Any team playing with a player under another teammate’s name will be charged with a “loss” for that game. The player will be ineligible to participate in the remainder of the league or tournament, and the team will be ineligible for the playoff bracket.

If it is discovered a team has played an ineligible player (not on the roster) following the contest in which the ineligible player participated, the ineligible player will not be allowed to participate in any further games without completing a player addition form, and the game will result in a forfeit. If the use of an ineligible player is detected during the playoffs, the opposing team will advance.

Default & Forfeit
All games shall be played on the date and time scheduled. A five minute grace period is allowed for all sports. After that time, the game must be forfeited. Games lost by forfeit will not be rescheduled for any reason. If the intramural office receives more than 24 hours’ notice, an attempt to reschedule the match will be made. Reschedules only occur if both teams agree to a new time slot. A team with two forfeits will be dropped from that sport for tournaments.

If a team cannot field enough players for a game and the intramural office is notified by at least 3:00 p.m. of game day (or 3:00 p.m. on Friday for Sunday games), the game will be declared a default instead of a forfeit. A team that defaults will receive a “3” for their sportsmanship score, while a team that forfeits will receive a “2” for sportsmanship.

Forfeit Fee
The forfeit fee consists of a $20 charge for any multi-week event. This charge is applied to the captain of the intramural team. That team is not allowed to play again until the fee is paid. The captain won’t be allowed to play in any intramural sport until the fee is paid. The following situations qualify as a forfeit:

• The team fails to notify the office of a forfeit before the established 3:00 p.m. deadline.
• The team does not notify the office and does not show up for a scheduled game.
• The team is late to a game or arrives with not enough players to play by the minimum requirement standards.
Schedules

- For all league sports, schedules will be made and posted on IMLeagues and captains will be notified by email. Any changes to the schedules (before or during the season), will be communicated to team captains immediately by e-mail or phone.
- Inclement weather postponements will be made by 3:00 p.m. on the day of the event. It is the team captain’s responsibility to check for this information on IMLeagues.
- Cancelled games will be rescheduled only when possible.
- All intramural activities will be cancelled if NDSU is closed.

Sportsmanship

- Teams will be rated by officials and the Intramural staff on a five point rating system. In order to qualify for playoffs, a team must average a 2.5 throughout the session. Two forfeits at the end of the session’s regular season will make a team ineligible for tournament play.
- Intramural staff and officials will give the sportsmanship ratings to teams after each contest. These ratings will be the result of behavior before, during, and after the contest.
- Anyone who verbally or physically accosts Wellness Center staff will be immediately suspended.
- Technical fouls or unsportsmanlike penalties as well as any other detrimental conduct assessed by referees and supervisors including dunking, verbal abuse, fighting, and any other unsportsmanlike conduct may result in an ejection and/or suspension.
- Two technical fouls or unsportsmanlike penalties will result in an ejection from the game.

<table>
<thead>
<tr>
<th>Rating</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>4</td>
<td>Team members are in control throughout the contest. Sportsmanship and conduct of those involved are considered to be at an acceptable level. Team does not show any dissent towards staff or opposing team. No sportsmanship related disciplinary action was taken against any team member.</td>
</tr>
<tr>
<td>3</td>
<td>Team members showed signs of good sportsmanship but also showed signs of unacceptable sportsmanship. Team members were considered to be in control more than not during the contest. Some verbal warnings were given to teams concerning their actions, but no further disciplinary action was needed.</td>
</tr>
<tr>
<td>2</td>
<td>Below average sportsmanship was displayed during the contest either by team members and or spectators. Conduct that is penalized by more than a simple verbal warning such as a yellow card or technical foul. Team members were not at a level out of control but were beyond the limit of average.</td>
</tr>
<tr>
<td>1</td>
<td>Team members continually display dissent towards Intramural Sports Staff or opposing team either while on playing surface or sidelines. The team captain shows little or no control of their team’s actions before, during or after the contest. Team members and or captain are uncooperative with Intramural Sports Staff concerning their actions. Teams receive numerous yellow cards, red cards or technical fouls (more than one). Teams have players, coaches or spectators ejected for any reason.</td>
</tr>
<tr>
<td>0</td>
<td>This rating will be given out in cases when one or both teams become hostile and the game must be ended early. Some examples warranting a zero rating include numerous warnings, ejections, fights, spectator issues and poor conduct towards the Intramural Sports staff.</td>
</tr>
</tbody>
</table>

Participants and fans are expected to demonstrate sportsmanship during any intramural event. In the event that an individual acts in an unsportsmanlike manner, the official or supervisor has full authority to take action as they see necessary to keep the game in control and protect the safety of all participants.
**Review of Sportsmanship Ratings**

It is the team captains’ right to see the rating given to his/her team following a contest. The ratings will be completed shortly after the end of the contest. If a captain is interested in their rating they are able to ask for the score at that time. A rating is not allowed to be discussed or overturned after a review by the captain. If a captain is in violation of complaining, arguing or pleading their case about a rating they will be dropped another point. An appeal process is set up for these circumstances. (See below)

**Appeal Process**

A team may appeal their rating with the Coordinator of Campus Recreation and Intramural Sports. In order to appeal the rating they must do so in writing to the coordinator no later than 12:00 pm the day following the scores are posted on the IMLeagues website. NO PROTESTS WILL BE ACCEPTED AFTER THIS DEADLINE. It is asked that captains give reasons or provide examples as to why the rating is incorrect. Once an investigation is completed a ruling will be made.

**Playoff Eligibility**

Following the completion of league play these ratings will be totaled and averaged over the entire course of the event. Each team is required to average a total of 2.5 points for the event or they will not be allowed to participate in tournament play. Sportsmanship scores can be viewed at any time through IMLeagues.

**Team Notification**

If a team is scored a 0 or a 1 for a contest a team captain will be emailed and informed of this so they are able to alert their team. The captain must also set up a meeting with the intramural sports staff prior to their next contest. If the captain fails to do so they will be forfeited from the league and that team will no longer participate in that specific league

**Team Captains**

Each team entered in an intramural sport must have a designated captain who will act as a liaison between the team and staff. A captain may only represent one team for any given sport and he/she must be an active participant on that team. Duties of the team captain include but are not limited to:

- Attend the mandatory captains’ meeting or complete online trainings at the beginning of each session. Schedules, rules, and questions will be covered at these meetings.
- Failure to attend the meeting will result in being dropped from that activity with no refund. If the team captain is not available, s/he must find a representative for the team.
- View the schedule on IMLeagues and notify team members of all scheduled games: date, time, and location. It is the captain’s responsibility to have his/her team ready to play when scheduled.
- Be familiar with all eligibility and game rules and make certain the team is aware of the rules.
- Check team roster often during the tournament, and especially prior to playoffs, to assure eligibility of his/her team members.
- Keep in close contact with intramural sports staff for pertinent information.
- Team captains are the only individuals allowed to approach officials during any contest.
- Appeal a low sportsmanship score. (See above).
Team Names

It is the responsibility of the team captain to submit a proper and positive name. All names will be approved by Intramural staff. Any inappropriate names will be removed, giving the team one additional chance to enter a name. Failure to do so, or giving another inappropriate name will result in a team name being provided.

- Team names should only consist of up to three words and less than 20 characters (no Greek letters)
- All acronyms must be spelled out
- No suggestive or double meanings
- No vulgar language
- No reference to alcohol or drugs
- Avoid names that suggest acts of violence, crime, or sex
- No discriminatory references pertaining to a particular individual or group as identified in NDSU Policy 100.
