Dear Applicant:

Thank you for your interest in the Violence Prevention Educator (VPE) Program at North Dakota State University. VPEs are NDSU students who are highly trained in issues of sexual and relationship violence. These students develop and implement educational efforts on the NDSU campus, including:

- Classroom presentations
- Interactive workshops for Greek chapters, athletic teams, residence halls, and student organizations
- Campus wide social media campaigns
- Take Back the Night and Sexual Assault Awareness Month

Please read this cover letter completely before you proceed with the application. If you decide to continue with the written application, please detach the letter and keep it for future reference. Your completed application may be e-mailed to kelsey.a.keimig.1@ndsu.edu or dropped off at The Office of Student Life (Memorial Union 250). This application is due no later than 5:00 pm March 11, 2016.

Because of the amount of time that is needed to train each educator, we ask that you be able to commit to at least one academic year to the program. You will be required to attend one mandatory meeting each week. Each meeting will last approximately one hour. The date and time of the meeting will be selected based on the availability of selected VPEs.

The application process consists of three steps:
1. Complete and turn in a written application form by March 11th, 2016.
2. If your written application is selected, you will be asked to participate in both a panel interview (March 30th or March 31st) and a group process interview (Friday April 8th).
3. A final one-on-one meeting with the Assistant Director of Sexual Assault Prevention & Advocacy will be scheduled at your convenience by April 22nd at 5:00 pm.

If you are ultimately selected as a new VPE, you will be required to attend 40 hours of training prior to the 2016 fall semester. The training will take place over two consecutive Friday/Saturdays (August 12/13 and August 19/20). You must attend the entire training, no exceptions will be made.

Again, thank you for your interest in NDSU’s Violence Prevention Educator Program. If you have further questions, please contact Kelsey Keimig at 701-231-5733.
