IMPORTANT INSTRUCTION: Create your TurningPoint account by logging into any of your Blackboard courses; in the Tools area click on the Turning Account Registration-NDSU link.

Step 1  After clicking on the link, your NDSU email address and institution will auto-populate the registration form. Type in your Phone number and check the License Agreement checkbox.

Check License Agreement and Finish!

Step 2  Students are now taken to the turning point license screen (subscription) where a license is given and no further action is needed.

Note: A license is given to all NDSU students who register.

Step 3  If needed, student should add their Clicker’s ID. Otherwise, if using a mobile application, this step can be skipped.

Click to continue to the next step

Step 4  The final window will appear, select Finish to complete the process.
