

Checking an Assignment Grade in Blackboard –

If your instructor uses the Blackboard grade book, assignments and the built-in opportunities to give feedback, the following instructions show students how to access this valuable information:

1. After you've submitted your work into the given assignment link in Blackboard and your instructor has graded it, use the Tools > My Grades choices to view the grade information.

2. In the "My Grades" tool, find the grade / assignment that you're interested in.

- Click on the name of the assignment to see more details. You can review what you submitted to the assignment in the comment field and with any attached files.

Review Submission History

What you see if you click on title of assignment from previous screen.

1. Review Submission History
