## SPREADING THE WORD

The University Relations creative team developed a vibrant set of digital ads for a [KARE 11](#) website takeover on March 20. We will reach prospective students and families in the Twin Cities metro area and surrounding communities. We anticipate generating up to 500,000 impressions. Our focus is encouraging campus visits to explore what makes NDSU so special.

## BISON SPOTLIGHT

Our Bison Spotlight feature this month is Patti Seidler, an academic advisor with NDSU's Career and Advising Center. A dedicated advocate for student success, Seidler's passion for higher education drives her commitment to guiding students toward the right academic and career paths. Her personalized approach to advising

helps students navigate their options with confidence, ensuring they make informed decisions that align with their goals. Seidler empowers students to take charge of their futures and make the most of their NDSU experience.

“I really believe we have a strong group of professionals who truly support students on the advising team. Everybody's goal is helping students effectively and giving them that academic plan to foster success at NDSU. If they have a plan and they know what's expected of them, they're more likely to finish their degree here.”

— Patti Seidler
