QUALTRICS

SURVEY BUILDING

A library of surveys, graphics, and questions can be used as templates for designing surveys. The point-and-click interface offers enhanced design capabilities and customized polling options. Graphics and a variety of statistical survey tools can easily be added.

SURVEY DISTRIBUTION

Surveys can be directly e-mailed to recipients, complete with tracking, reminders, and follow-up messaging. Each survey can be sent out directly through social media platforms.

SURVEY ANALYSIS

Data can be exported into Excel, SPSS, PDF, PowerPoint, or Word formats for further analysis.

VIRTUAL MEETINGS

VIRTUAL MEETINGS

Expert facilitation of ThinkTank virtual meeting software allows for more effective meetings. All participants can make comments at the same time and remain anonymous, which allows for more meeting participation. Comments, voting sessions, and opinion polls are instantly recorded and can be analyzed further after the meeting.

We have a dedicated meeting space equipped with computers for participants.

USES

- Discussion Groups
- Strategic Planning
