Discussion of methods of enhancing response-time to assessment reports

a) Bob explained to the committee members the reason for the different dates that the departments have to choose from.

b) Mark Schmidt asked questions about reviewing the assessment reports. What areas of the report are more significant?

c) Robert Groves suggested that the departments should be motivated somehow.

d) Sherman Goplen said that every department should know what their objectives are, and know what to look for in the outcomes.

e) Mark Schmidt pointed out the importance of assessment. He suggested the faculty should attend a seminar about accreditation and assessment and President Chapman should make certain that they all attend.

f) Bob Harrold voiced his concerned about the substance of the report. NCA-HLC is concerned with the substance or the quality of the report – not the quantity.

g) The committee discussed showing the departments what is expected of them.

h) Larry Peterson suggested that the deans should be more active in the process. Use their authority to see that the reports are done.

Bob Harrold called for a motion to end the meeting.

The meeting adjourned at 12:21 p.m.

Respectfully submitted,
Kären Bjellum, Recorder
