

Nursing (LPN to BSN)

2019 - 2020 Transfer Advising Guide

Academic Advising

Karla Haug, Director LPN-BSN Program | karla.haug@ndsu.edu | 701-231-7208

https://www.ndsu.edu/nursing/degrees/lpn_to_bsn_track/

Admission Requirements

- **Selective Admission Program – requires cumulative GPA of 2.75 and Practical Nursing GPA of 3.0. Attained unencumbered LPN license.**
 - For information on all requirements for entry into professional program:
https://www.ndsu.edu/nursing/lpn_bsn_track/admission/

Transfer Recommendations

- Completion of Associate in Arts (AA) or Associate in Science (AS)
 - Due to the nature of the program, an Associate in Applied Science (AAS), LPN (vocational) Diploma, or LPN certificate are acceptable

Special Notes

- It is highly recommended that students attain a grade of C or higher in all courses
- Students should have completed the NLN NACE II validation exams in Adult Health, Mental Health, Care of the Childbearing Family, and Care of the Child
- CPR for the Health Provider certification is required
- Due to North Dakota licensure requirements, an **on-campus clinical** is part of the program
