### Transfer Recommendations

- Completion of Associate in Arts (AA) or Associate in Science (AS)
  - Due to the competitive internship admission, students should contact NDSU academic advising to discuss degree requirements, internship admission, and their plan of study at least one year in advance of intent to apply for the Radiologic Science internship specialization.

### Special Notes

- Students must attain a grade of C or higher in all courses
- NDSU affiliates with hospital programs to offer three separate internship specializations: Radiography, Diagnostic Medical Sonography, Echocardiography
  - Sonography applicants: Only 1 repeated attempt allowed in the core courses of human anatomy and physiology and labs, college physics and labs, medical terminology, statistics, and psychology
