Admission Requirements
- Minimum Transfer GPA: 2.0
  - Competitive Internship Admission – required, but not limited to, cumulative and core course GPA of 2.5, completion of all college courses of the program offered by the start of the internship, and completion of at least 20 resident credits at NDSU.
  - Internship application begins annually in the fall with decisions in spring. For the entire internship eligibility requirements: https://www.ndsu.edu/alliedsciences/respiratory_care/internship/

Transfer Recommendations
- Completion of Associate in Arts (AA) or Associate in Science (AS)
  - Due to the competitive internship admission, students should contact NDSU academic advising to discuss degree requirements, internship admission, and their plan of study at least one year in advance of intent to apply for the Respiratory Care internship.

Special Notes
- Students must attain a grade of C or higher in all courses
- Only 1 repeated attempt allowed in the core courses of human anatomy and physiology and labs, general chemistry and labs, organic and biochemistry, microbiology and lab, physics, medical terminology, and college algebra
