

## **INTERNATIONAL COLLEGE/UNIVERSITY (POSTSECONDARY)**

If you have attempted **college/university (postsecondary)** coursework outside the United States, you must submit the following:

- 1) A foreign credential evaluation

AND

- 2) Official academic records and national exams for each college/university attended outside the United States

### **Foreign Credential Evaluation**

A course-by-course foreign credential evaluation **must** be completed by **one** of the following agencies:

**Foreign Credentials Service of America (FCSA), OR**  
**A member of the National Association of Credential Evaluation Services (NACES), OR**  
**Association of International Credential Evaluators (AICE)**

### **Official Academic Records and National Exams**

In addition to a foreign credential evaluation, official academic records for all institutions attended and national exams taken must be submitted directly from the issuing institution to the NDSU Office of Admission.

**NOTE: World Education Services (WES) and Educational Credential Evaluators (ECE) send certified copies of academic records and national exam results as part of their completed foreign credential evaluation. A course-by-course evaluation from WES or ECE will satisfy both requirements listed above. It is for this reason that NDSU recommends applicants complete their evaluation through WES or ECE.**
