Complete the form at www.fafsa.gov. NDSU's Institution Title IV Code is 002997.

If you are entering for the summer term, the **Summer School Application for Financial Aid** also must be completed.

PRIORITY DEADLINES:

February 1 (for fall)

Eight weeks prior to semester start (for spring or summer)

4. Apply for NDSU scholarships

You are encouraged to apply for scholarships if you have earned a cumulative GPA of 3.0 from each institution previously attended. Preference will be given to students who have earned 12 or more transferable semester credits. Numerous departmental and college scholarships also may be awarded to students based on intended major and academic achievement. To be considered for scholarships, complete the scholarship application by April 1 for fall and summer terms or December 1 for spring term.

Go to www.ndsu.edu/admission/scholarships for details and to apply for scholarships.

DEADLINES:

April 1 (for fall and summer)

December 1 (for spring)

Some departmental and college scholarships have different deadlines or separate application procedures.

5. Register for classes

NDSU offers a variety of registration options for new transfer students. You may attend one of our on-campus registration programs or choose to enroll in classes on your own. Students are encouraged to consult with an academic adviser and enroll as soon as registration opens for best class selection and availability.

ACADEMIC ADVISER

Log on to Campus Connection - your academic adviser will be listed on the right-hand side of your "Student Center." If "Department Assigned" is listed or if an adviser has not yet been assigned, refer to the "Adviser Contact" list at career-advising.ndsu.edu/transfer-student-advising-contacts.

ENROLLMENT DATE

Your enrollment date is the specific date and time you can begin registering for classes for the term you were admitted. Registration usually begins in November for spring semester and April for summer and fall terms. Your enrollment date is listed in your "Student Center" of Campus Connection.

REGISTRATION

OPTION 1: Attend an on-campus transfer orientation/registration session. Several sessions, specifically designed for transfer students, are offered leading up to the start of each semester. To learn more about specific dates, schedules and to sign up for a session, visit www.ndsu.edu/orientation.

OPTION 2: Consult with an academic adviser in your academic department to discuss course selection and register for classes on your own using Campus Connection. Students may contact an adviser via email, phone or a face-to-face meeting. Students may enroll in courses according to their registration appointment.

ONLINE ORIENTATION

An optional self-guided online orientation is available to provide information on student services, academic services, student finances and a Campus Connection tutorial for registration purposes. After activating your system account and password (see step 1), log into Blackboard (blackboard.ndus.edu) to access the online orientation.

6. Apply for reciprocity (Minnesota residents)

Minnesota residents attending NDSU receive a reduced tuition rate similar to that of a North Dakota resident. To qualify for the reduced tuition rate, you must complete the reciprocity application with the Minnesota Office of Higher Education. Forms are available beginning in the spring for the following academic year.

Complete the online form at www.ohe.state.mn.us prior to the first day of classes.

7. Get your NDSU Card, parking permit and textbooks

NDSU CARD

Present your official class schedule and picture ID at the NDSU Card Center in the Memorial Union to obtain your student ID card ("NDSU Card"). Your NDSU Card can be used for purchases at a variety of campus locations, to gain access to the Wellness Center, to check out books at the library, to ride the metro-bus for free, use the bike share and to enter athletic events. Students also may use their NDSU Card for dining center and residence hall access.

PARKING PERMIT

A permit is required to park on campus. Review more details and how to purchase a permit at www.ndsu.edu/parking/students.

1. Log on to Campus Connection.
2. Click on "Student Center," then "Parking."

If you are currently enrolled at another college or university, please have an official final transcript sent to NDSU upon completion of your studies. This will complete your admission file to the university and ensure all transferable coursework will be evaluated for transfer credit. Failure to provide a final transcript may impact future enrollment at NDSU and financial aid may not be disbursed.

Make arrangements to have your official final transcript(s) sent to: NDSU Office of Admission, Dept. 2832, PO Box 6050, Fargo, ND 58108-6050
