## SPREADING THE WORD

NDSU is celebrating the accomplishments of area high school graduates by placing congratulatory advertisements in newspapers across the region. These ads recognize the hard work and dedication of the Class of 2025 and celebrate this important milestone in their academic journey. We are proud to honor the Class of 2025 and look forward to seeing many of them on campus as Bison this fall!

A full-page ad celebrating our graduates and encouraging prospective students to apply will also run in the Minnesota Star Tribune on May 18, with digital ads running on the Star Tribune's website throughout June.

NDSU's University Relations team is behind the scenes bringing the excitement of [commencement](#) to life — celebrating our graduates' big moments and preserving

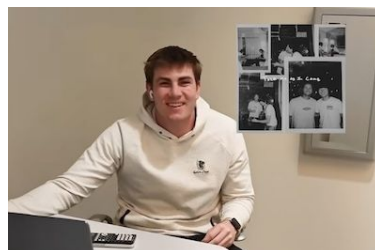

memories that will last a lifetime. Keep an eye on NDSU's social media for the official commencement recap video!

## BISON SPOTLIGHT

Our Bison Spotlight feature this month highlights Nic Feller and Caleb Jarvis, the newly elected student body president and vice president. Eager to serve their fellow students, Feller and Jarvis are passionate about strengthening campus connections and representing student voices. Their leadership is driven by a shared goal to broaden their involvement across campus and leave a lasting, positive impact on the NDSU community. Committed to informing, involving and investing in the student body, they aim to build meaningful relationships and champion initiatives that reflect the needs and aspirations of their peers.

“We are most excited to be the voice of the student body and work with our team to implement ideas that will improve student life, as well as see the different sides of campus we have never seen before. Ultimately, our whole goal is to create a lasting impact that extends beyond our time in these roles and continues to aid in serving the student body’s needs so we can create a community full of Bison pride.”

— Nic Frello, Student Body President
