

# NDSU CIRE Educational Opportunities

**FREE continuing education is available to those who watch the recordings!**

## Changing the Conversation: Motivational Interviewing and Vaccine Hesitancy

**What you will learn:** Join NDSU CIRE and Dr. Jon Ulven for a talk that will deepen participants' psychological understanding of the factors contributing to vaccine hesitancy, introduce practical ways to integrate core Motivational Interviewing (MI) concepts, and engage in practice opportunities to apply MI skills in patient encounters.

Access this webinar through the following QR Code or by following the link: <https://youtu.be/U5pwjbXlswM>

## HPV Infection: Immunizing for Cancer Prevention

**What you will learn:** Join NDSU CIRE and Dr. Tracie Newman for a talk that will review HPV epidemiology and pathology, describe HPV vaccine data and recommendations, and discuss HPV vaccine communication strategies.
