Hello Team –

We made it to December and the end of the semester is right around the bend! It's been a whirlwind of activity as usual but additionally so with the provost search and the upcoming president search.

I hope you'll be able to attend open forums and offer feedback as your schedule permits. It's important to make your voice heard in the search for new leadership.

I also hope you will be able to find time to spend with family and friends, or have a bit of down time this semester break. Enjoy whatever plans you have!

Below are staff that were recognized for their Good Things in November. Thank you for your dedication to student support and success!

- Sara Poe in International Student and Study Abroad Services was recognized by Sara Terfehr.
- Mckay Brekke in Financial Aid and Scholarships was recognized by Angela Reinke.
- Jill Stromborg in Career and Advising Center/Engineering was recognized by Angela Reinke.
- Jessica Anderson in Center for Accessibility and Disability Resources was recognized by Molly McKinnon.

As always, you are welcome to recognize a colleague (either within SAIE or outside) for demonstrating our mission, commitment and values. Here a link to the [form](#).
