

**Michael D. Robinson**  
Curriculum Vitae  
March, 2026

**Address:**

Department of Psychology  
NDSU Dept. 2765  
North Dakota State University  
PO Box 6050  
Fargo, ND 58108-6050  
Phone: (701) 231-6312  
Email: Michael.D.Robinson@ndsu.edu

**Education:**

1990 – B.A., University of California, Santa Cruz

1996 – Ph.D., University of California, Davis  
Advisor: Joel T. Johnson  
Area: Social Psychology; Social Cognition

**Professional History:**

June 1996-June 1999 – Postdoctoral Fellow, NIMH Emotion Consortium  
University of Wisconsin and University of Illinois  
Directors: Paul Ekman and Richard J. Davidson  
Advisor: Gerald L. Clore  
Area: Social Cognition; Cognition and Emotion

June 1999-August 2001 – Research Assistant Professor, University of  
Illinois  
Area: Cognition and Emotion

August 2001-2005 – Assistant Professor, North Dakota State University

August 2005-2010 – Associate Professor, North Dakota State University

August 2010-current - Professor, North Dakota State University  
Areas: Personality/Social Psychology; Cognition and Emotion; Affect and  
Health

August 2025-current – University Distinguished Professor, North Dakota  
State University

**Journal Editing:**

Associate Editor, *Cognition and Emotion*, 2007-2009.

Associate Editor, *Emotion*, 2009-2010.

Associate Editor, *Journal of Personality*, 2005-2009.

Associate Editor, *Journal of Personality and Social Psychology*, 2009-2016.

Associate Editor, *Social and Personality Psychology Compass*, 2009-2017.

Co-Editor, *Personality and Social Psychology Bulletin*, 2017-2021.

Editor, *Personality and Social Psychology Bulletin*, 2021-2024.

### **Editorial Board:**

*Journal of Personality and Social Psychology*, 2007-2009.

*Psychological Science*, 2007-2012.

*Personality and Social Psychology Bulletin*, 2025-present.

### **Edited Books:**

Landau, M. J., Robinson, M. D., & Meier, B. P. (2014). *Metaphor and social life*. Washington, DC: American Psychological Association.

Ostafin, B. D., Robinson, M. D., & Meier, B. P. (2015). *Mindfulness and self-regulation*. New York: Springer.

Ostafin, B. D., Robinson, M. D., & Meier, B. P. (2025). *Handbook of mindfulness and self-regulation: Theoretical, cognitive neuroscience, social-personality, and clinical perspectives*. Springer.

Robinson, M. D. (2024). *Ability-related emotional intelligence: Knowns, unknowns, and future directions*. Multidisciplinary Digital Publishing Institute (MDPI).

Robinson, M. D., & Eid, M. (2017). *The happy mind: Cognitive contributions to well-being*. Dordrecht, The Netherlands: Springer.

Robinson, M. D., & Thomas, L. E. (2021). *Handbook of embodied psychology: Thinking, feeling, and acting*. Cham, Switzerland: Springer Nature Switzerland AG.

Robinson, M. D., Watkins, E. R., & Harmon-Jones, E. (2013). *Handbook of cognition and emotion*. New York: Guilford Press.

## **Publications:**

Robinson, M. D. (in press). Personality and momentary emotional processes: The functionality of having feelings. In: M. D. Robinson, T. A. Pringle, & B. M. Wilkowski (Eds.), *The handbook of personality processes: Momentary, daily, developmental, and generational perspectives*. Edward Elgar Publishing.

Robinson, M. D., Asad, M. R., Fereidouni, H., Irvin, R. L., & Klein, R. J. (in press). The flow and flux of feeling: Relations between attention to emotion and emotion reactivity dynamics. *Cognition and Emotion*.

Robinson, M. D., Asad, M. R., Fereidouni, H., Vohra, P., & Ali, N. (in press). Should I use my brain or my heart? Brain-heart dualism and its advantages in intellectual and experiential domains. *Self and Identity*.

Robinson, M. D., Fereidouni, H., Vohra, P., & Asad, M. R. (in press). The great unknown of within-person variability: Moving toward flexibility-based models. In: M. D. Robinson, T. A. Pringle, & B. M. Wilkowski (Eds.), *The handbook of personality processes: Momentary, daily, developmental, and generational perspectives*. Edward Elgar Publishing.

Robinson, M. D., Irvin, R. L., & Asad, M. R. (in press). In the beast mode: Predator self-identifications as a model of disagreeable functioning. *Assessment*.

Robinson, M. D., Irvin, R. L., Asad, M. R., Fereidouni, H., Rahier, L. L., & Lawrence, G. A. (in press). Behavioral tendencies of happiness: A person-in-context approach to construct measurement. *Journal of Personality*.

Robinson, M. D., Irvin, R. L., Asad, M. R., Fereidouni, H., Rahier, L. L., & Vohra, P. (in press). Portraits in misery: A bottom-up-to-prototype approach to personality assessment. *Journal of Personality Assessment*.

Asad, M. R., Fereidouni, H., & Robinson, M. D. (2026). Dark thoughts: Default thought tendencies as a function of neuroticism. *Personality and Individual Differences*, 256, ArtID 113726.

## **Grants:**

P. I. on NDSU RCA EDRF Grant, 2024-2025  
North Dakota State University  
Grant Title: Autonomous and Crowdsourcing Solutions to Last-Mile  
Delivery in North Dakota's Small-Urban and Rural Communities  
P. D.: Ranjit Godavathy  
1 year, \$100,000

Cognitive Assessment Laboratory Director,  
Sanford Center for Biobehavioral Research COBRE, June, 2021+  
North Dakota State University  
P.D.: Stephen Wonderlich, Sanford  
4 years, \$76,000

P.I. on Center of Biomedical Research Excellent (COBRE) grant,  
October, 2010-October, 2015  
North Dakota State University  
P.D.: Mark McCourt, Visual Neuroscience  
Grant Title: Vigilance and Avoidance in Affective Visual Processing  
5 years, \$650,000

P.I. on NIH ARRA Administrative Supplement to P20 RR020151, "Center  
for Visual Neuroscience", Pilot Project Mechanism (NOT-OD-09-056),  
September 2009- September 2011  
North Dakota State University  
Grant Title: Vigilance and Avoidance in Affective Visual Processing  
\$400,000

P.I. on NSF grant BCS 0843982, June 2009-May 2013,  
North Dakota State University  
Grant Title: Developing a Cognitive Control Theory of Emotion through the  
Lens of Hostility, Anger, and Aggression  
\$428,000

P.I. on Center of Biomedical Research Excellence (COBRE) grant,  
September, 2004  
North Dakota State University  
P.D.: Mark McCourt, Visual Neuroscience  
Grant Title: Vigilance and Avoidance in Affective Visual Processing  
5 years, \$719,000  
(Note: Because I currently have an RO1, my portion of the funded COBRE  
grant was dropped.)

P.I. on grant MH68241-001, August 2003-June 2007, North Dakota State  
University  
Grant Title: Personality, Antisocial Thoughts, and Aggression

4 years, \$565,000

P.I. on NSF grant SBR 9817649, June 1999-June 2002, University of Illinois and North Dakota State University  
Grant Title: The Comparative Automaticity of Fear  
\$310,000

### **Grants (Other Roles):**

Grant Title: Autonomous and Crowdsourcing Solutions to Last-Mile Delivery in North Dakota's Small-Urban and Rural Communities  
Source: NDSU RCA EDRF Grant  
Role: P.I. (P.D.: Ranjit Godavarthy)  
2024-2025, \$100,000

Grant Title: The Sweet Life: An Examination of the Effect of Mindful Candy Consumption on Mood  
Source: National Confectioners Association  
2012-2013, \$55,682  
Role: co-P.I.

Grant Title: Depression and Lateral Spatial Attention  
Source: NSF EPSCoR  
2003-2004, \$15,000  
Role: co-P.I.

Grant Title: Training the Hedonic Spotlight  
Source: Positive Psychology Institute  
2003-2004, \$5,000  
Role: co-P.I.

Grant Title: Cognitive Consequences of Emotion  
Source: NSF  
2000-2001, \$250,000  
Role: Supervising P.I.

Grant Title: Interventions to Improve Eyewitness Memory Monitoring  
Source: University of California  
1995-1996, \$2,500  
Role: co-P.I.

### **Conference and Scholarly Presentations:**

Asad, M. R., Fereidouni, H., Vohra, P., & Robinson, M. D. (February, 2026). The wisdom of the heart: Self-location flexibility and emotional intelligence. Poster presented at the annual meeting of the Society of

Personality and Social Psychology (SPSP), Chicago, IL.

Fereidouni, H., Irvin, R. L., Asad, M. R., Rahier, L. L., & Robinson, M. D. (February, 2026). Happiness is what happiness does: Inferring happiness levels from situational judgment. Poster presented at the annual meeting of the Society of Personality and Social Psychology (SPSP), Chicago, IL.

Robinson, M. D. (February, 2026). Roles for attention to emotion in affect as information theory. Paper presented at the annual meeting of the Society of Personality and Social Psychology (SPSP), Chicago, IL.

Robinson, M. D., Asad, M. R., Vohra, P., & Fereidouni, H. (February, 2026). Can you travel through your body? Brain-heart dualism and its ability-related advantages. Poster presented at the annual meeting of the Society of Personality and Social Psychology (SPSP), Chicago, IL.

Vohra, P., Asad, M. R., Fereidouni, H., & Robinson, M. D. (February, 2026). Wearing one's heart on one's sleeve: Self-location and sociability. Poster presented at the annual meeting of the Society of Personality and Social Psychology (SPSP), Chicago, IL.

Asad, M. R., Irvin, R. L., & Robinson, M. D. (February, 2025). Feelings are for the weak: Feeling indifference as a function of predator self-identification. Poster presented at the annual meeting of the Society of Personality and Social Psychology (SPSP), Denver, CO.

Fereidouni, H., Asad, M. R., Irvin, R. L., & Robinson, M. D. (February, 2025). How does attention to emotion influence the experience of emotion? Results from a dynamic affect reactivity task. ### **Awards/Recognition:**

Summa cum laude, Phi Beta Kappa, College Honors, University of California, Santa Cruz.

Awarded membership to ISRE (International Society for Research on Emotions) and SESP (Society for Experimental Social Psychology).

Recipient of the 2004 College of Science and Mathematics Award for Excellence in Research, North Dakota State University.

Recipient of the 2005-2008 James A. Meier Junior Professor Award, North Dakota State University.

Awarded tenure two years early, 2005, North Dakota State University.

Appointed Associate Editor for *Journal of Personality*, 2005-2007; Re-appointed for 2007-2009 term.

Listed among most published authors at *Personality and Social Psychology Bulletin* with 6 articles published in this journal in the last 10 years.

Research featured in a *London Times* article (“Just look up to find happiness”, written by Roger Dobson & Jonathan Carr-Brown, published July 24, 2005).

Editor’s pick selection at *Science*, September 2005 issue (Vol. 309, 2).

Appointed Associate Editor for *Cognition and Emotion*, 2007-2009.

Appointed Consulting Editor for *Journal of Personality and Social Psychology* and *Psychological Science*, 2007-2009.

Recipient of the 2007 Waldron Research Award, a University-Wide Research-Award, North Dakota State University.

Research featured in American Psychology Association (APA) Monitor, November, 2007.

Elected as a Fellow, Association for Psychological Science (APS), 2007.

Elected as a Fellow, The Society for Experimental Social Psychology (SESP), 2009.

Recipient of the 2009 College of Science and Mathematics Award for Excellence in Mentoring, North Dakota State University.

Appointed Associate Editor for *Journal of Personality and Social Psychology*, 2009-2012.

Appointed Associate Editor for *Social and Personality Psychology Compass*, 2009-2011.

Appointed Associate Editor for *Emotion*, 2010-2012.

Appointed to the Society for Personality and Social Psychology (SPSP) Training Committee, 2009-2012.

Appointed to the Society for Personality and Social Psychology (SPSP) Program Committee, 2010-2011.

Added to the Editorial Board of *Psychological Science*, 2010.

Elected as Fellow of the Society for Personality and Social Psychology (SPSP), 2011.

Elected as Fellow of the American Psychological Association (APA), Division 8, 2011.

Recipient of the 2013-2016 James A. Meier Senior Professor Award, North Dakota State University.

Nominated for Editorship, *Psychological Bulletin*, 2013.

Nominated for Editorship, *Journal of Personality and Social Psychology*, 2014.

Appointed to the Society for Personality and Social Psychology (SPSP) Program Committee, 2014-2015.

Nominated for Editorship, *Psychological Science*, 2016.

Recipient of the 2015 Phi Kappa Phi Lectureship Award, North Dakota State University.

NSF Panelist, Social Psychology Program, Arlington, VA, May 2-3, 2016.

Short List (3 people) for Editorship, *Personality and Social Psychology Bulletin*, 2017.

Recipient of the 2016 Dale Hogoboom Endowed Professorship Award, North Dakota State University.

Appointed Co-Editor, *Personality and Social Psychology Bulletin*, 2017-present.

Appointed Editor, *Personality and Social Psychology Bulletin*, 2021-2024.

Among the top 5 top cited scientists at North Dakota State University, as determined by a Stanford University study published at PLOS ONE.

Research featured in Wikipedia.org entry on the personality trait of neuroticism: <https://en.wikipedia.org/wiki/Neuroticism>.

Among the top 100,000 scientists in the world, as determined by Stanford University study:  
<https://elsevier.digitalcommonsdata.com/datasets/btchxktzyw/3>.

Among the top 1,000 psychologists in the United States, as determined by Research.com: <https://research.com/scientists-rankings/psychology/us>

APA Editor's Choice selection for the following article: R. J. Klein, N. C. Jacobson, & M. D. Robinson, A psychological flexibility perspective on well-being: Emotional reactivity, adaptive choices, and daily experiences (published in *Emotion*).

I have the highest H-index at North Dakota State University according to Research.co: <https://research.com/university/north-dakota-state-university>

ScholarGPS recognition as a Top Scholar in various Fields, Disciplines, and Specialities. According to ScholarGPS, I am in the top 0.5% of scholars worldwide, with rankings of #45 in negativity affectivity, #84 in personality psychology, and #210 in social psychology.

Research.com recognition: Best Scientists in the field of Psychology. Ranked #904 in the United States ([research.com/scientists-rankings/psychology/us](https://research.com/scientists-rankings/psychology/us)) and #1461 in the world ([research.com/scientists-rankings/psychology](https://research.com/scientists-rankings/psychology)).

Listed as Stanford/Elsevier Top 2% Scientist, based on recent scholarship. Also listed as Stanford/Elsevier Top 2% Scientist, based on career scholarship.

Based on a personal communication, I may be the most frequently represented author on social-personality graduate seminar syllabi in the United States.

Named a University Distinguished Professor (UDP) at North Dakota State University.

Named a Top Scholar by ScholarGPS (one of the top 0.5% scholars worldwide), 2024.

Listed as a top 2% scientist in the world, 2024 and career list, 2025.

### **Awards/Recognition for Mentees:**

Advisor for John Whitney, who received the Janet Trisch Memorial Award for the most outstanding honor's thesis, 2000, University of Illinois.

Title: The influence of perceptual cues on affective processing: Are congruency effects inevitable?

Advisor for Justin Storbeck, who received a grant from the NSF Research Experience for Undergraduates (REU) program, 2000.

Advisor for Justin Storbeck, who received the Janet Trisch Memorial Award for the most outstanding honor's thesis, 2001, University of Illinois.

Title: Preferences and inferences in encoding visual objects: A systematic comparison of semantic and affective priming.

Advisor for Maya Tamir, who was awarded the 2002 Nancy Hirschberg memorial award for outstanding research or scholarship at the University of Illinois. Title: The epistemic benefits of trait-consistent mood states: An analysis of extraversion and mood.

Advisor for Brian P. Meier, who received a two-year Doctoral Dissertation fellowship from the Experimental Program to Stimulate Competitive Research (EPSCoR/NSF), North Dakota State University, 2003-2004.

Advisor for Maya Tamir, who was awarded the 2004 Society for Personality and Social Psychology Award for outstanding student publication.

Title: Are we puppets on a string?: The contextual meaning of unconscious expressive cues.

Advisor for Brian P. Meier, who was awarded a Martin Seligman Research Alliance Micro-Grant for his dissertation work, 2004.

Title: Using metaphor to promote positive affect.

Advisor for Brian P. Meier, who was the recipient of the 2004 College of Science and Mathematics Ph.D. Student Award for Excellence in Research, North Dakota State University.

Advisor for Brian P. Meier, who accepted a tenure-track job at Gettysburg College, 2005.

Advisor for Maya Tamir, who accepted a tenure-track job at Boston College, 2006.

Advisor for Benjamin M. Wilkowski, who received a two-year Doctoral Dissertation fellowship from the Experimental Program to Stimulate Competitive Research (EPSCoR/NSF), North Dakota State University, 2006-2008.

Advisor for Darya Zabelina, who received the Estensen Award for the most outstanding graduating senior in psychology, North Dakota State University, 2007.

Advisor for Ashley Randall, who received a Fulbright Award to study in Switzerland, 2007-2008.

Advisor for Roger Feltman, who received the Estensen Award for the most outstanding graduating senior in psychology, North Dakota State University, 2008.

Advisor for Michelle Winings, who won a departmental award for sophomore-level research contributions, North Dakota State University, 2008.

Advisor for Benjamin M. Wilkowski, who was the recipient of the 2008 College of Science and Mathematics Ph.D. Student Award for Excellence in Research, North Dakota State University.

Advisor for Benjamin S. Kirkeby, who accepted a tenure-track job at Jamestown College, 2008.

Advisor for Benjamin M. Wilkowski, who accepted a tenure-track job at University of Wyoming, 2008.

Advisor for Konrad Bresin, who received the Estensen Award for the most outstanding graduating senior in psychology, North Dakota State University, 2009.

Advisor for Scott Ode, who received an SPSP Travel Award for the annual SPSP conference, 2009.

Title: Heart rate variability as a moderator of the neuroticism-negative affect relationship.

Advisor for Darya Zabelina, who received a three year NSF Graduate Research Fellowship, 2009-2012, \$121,000.

Advisor for Benjamin M. Wilkowski, who received honorable mention for the SPSP Student Publication Award.

Title: The cognitive basis of trait anger and reactive aggression: An integrative analysis.

Advisor for Darya Zabelina, who received an APS Graduate Research Travel Award, 2009.

Title: Child's play: Facilitating the originality of creative output.

Advisor for Darya Zabelina, who received the 2009 Erlbaum Award, as announced by the Psi Chi Research Awards Committee.

Title: Don't be so hard on yourself: Self-compassion facilitates creative originality among self-judgmental individuals.

Advisor for Sara K. Moeller, who received a Graduate School Doctoral Dissertation Award, 2010-2011.

Advisor for Sara K. Moeller, who accepted a tenure-track job at St. Xavier University, Chicago, 2011.

Advisor for Jessica Bair, who received the Beatty Award for most promising sophomore-level researcher in the NDSU psychology department, 2011.

Advisor for Dede Schreiber-Gregory, who was selected for the McNair Scholars Program, North Dakota State University, 2012.

Advisor for Adam K. Fetterman, who was awarded an SPSP Travel Award for the annual Society for Personality and Social Psychology (SPSP) conference, 2012.

Advisor for Adam K. Fetterman, who was selected as a finalist (and subsequently deemed a runner-up) for best student poster award at the 2012 Society for Personality and Social Psychology (SPSP) Conference, San Diego, CA.

Title: Go with your head or use your heart? When body organs become decision making structures.

Advisor for Adam K. Fetterman, who received a Graduate School Doctoral Dissertation Award, 2012-2013.

Advisor for Jessica Bair, who received the Junior Research Achievement Award, NDSU psychology department, 2013.

Advisor for Tianwei Liu, who was awarded an SPSP Travel Award for the annual Society for Personality and Social Psychology (SPSP) conference, 2014.

Advisor for Jessica Bair, who was admitted to the Clinical PhD program at University of Minnesota, 2015.

Advisor for Adam K. Fetterman, who accepted a tenure-track job at University of Essex, 2015.

Advisor for Michelle R. Persich, who was awarded an SPSP Travel Award for the annual Society for Personality and Social Psychology (SPSP) conference, 2018.

Advisor for Adam K. Fetterman, who accepted a tenure-track job at University of Houston, 2019.

Advisor for Robert J. Klein, who was awarded a CSM Travel Grant, 2019.

Advisor for Michelle R. Persich, who was the recipient of the 2019 College of Science and Mathematics Ph.D. Student Award for Excellence in Teaching, North Dakota State University.

Advisor for Michelle R. Persich, who accepted a post-doctoral position at the University of Arizona, 2020.

Advisor for Robert J. Klein, who accepted a post-doctoral position at Dartmouth College, 2020.

Advisor for Michelle R. Persich, who accepted a tenure-track faculty position at Western Kentucky University.

Advisor for Robert J. Klein, who accepted a position as a Research Associate at Mayo Clinic Well-Being Research Center, 2022.

Advisor for Roberta L. Irvin, who won the College of Science and Mathematics Graduate Student Research Award, 2023.

Former advisor of Adam K. Fetterman, who was awarded promotion and tenure at University of Houston, 2023.

Advisor for Lauren Rahier, who won a Junior Academic Achievement Award in psychology at North Dakota State University, 2023.

Advisor for Skylar Uglen, who won a Junior Academic Achievement Award in psychology at North Dakota State University, 2023.

Advisor for Lauren Hornbacher, who won a Faculty Excellence Award in psychology at North Dakota State University, 2023.

Advisor for Skylar Uglen, who won an Estensen's Award in psychology at North Dakota State University, 2024.

Advisor for Roberta Irvin, who was accepted to the NDSU Professional Development Hub cohort, 2024.

Advisor for Roberta Irvin, who accepted a postdoctoral position at Boston University under a T32 grant, 2025.

Advisor for Kailyn Ferch, who received a Beatty Award in psychology at North Dakota State University, 2025.

Advisor for Lauren Rahier, who won a Faculty Excellence Award in psychology at North Dakota State University, 2025.

Advisor for Michelle Persich Durham, who accepted a tenure-track job at Missouri State University, 2025.

Advisor for Lauren Rahier, who accepted an offer to join the clinical psychology PhD program at University of North Dakota, 2026.

Advisor for Lauren Rahier, who won a Faculty Excellence Award in psychology at North Dakota State University, 2026.

### **Research Interests:**

- \* Personality and emotion
- \* Implicit (or indirect) measures of personality
- \* Emotion dynamics
- \* The cognitive causes and consequences of emotion
- \* Emotion and self-regulation
- \* Emotion, cognition, and health
- \* Judgment processes related to subjective well-being
- \* Social cognition and social behavior
- \* Emotional intelligence and social competence
- \* Conceptual metaphor

### **Teaching Interests:**

- \* Personality psychology
- \* Social psychology
- \* Social cognition
- \* Emotion
