

FORWARD offers search committee member training

Published: 30 October 2013

The FORWARD project will sponsor a training session for faculty search committee members on Friday, Nov. 15, from 9 a.m. to 11 a.m. in the Memorial Union Hidatsa room. Registration for the session should be completed at www.ndsu.edu/forward. Current search committee members are particularly encouraged to attend the sessions. The training will include information on procedural aspects of the search process, as well as research-based information addressing the ways bias can influence the recruitment and screening of applicants in a search and strategies for overcoming bias.
