Note(s): The Practicum in Publishing implements knowledge and background gained during the Introduction to Publishing course. Students will obtain and apply the skills of a publisher as they undertake editorial, publicity, and marketing activities for the following year┐s book releases. Students will take on responsibilities of key roles in social media marketing and event development. This practicum offers in-depth, real-life experience with a decades-old publishing house, putting into practice current methods and customs of scholarly and literary publishing, while meeting real-time publishing deadlines and schedules in preparation for national distribution of North Dakota State University Press books.; Class will be held in Minard 204J.

Note(s): The Practicum in Publishing implements knowledge and background gained during the Introduction to Publishing course. Students will obtain and apply the skills of a publisher as they undertake editorial, publicity, and marketing activities for the following year┐s book releases. Students will take on responsibilities of key roles in social media marketing and event development. This practicum offers in-depth, real-life experience with a decades-old publishing house, putting into practice current methods and customs of scholarly and literary publishing, while meeting real-time publishing deadlines and schedules in preparation for national distribution of North Dakota State University Press books.; Class will be held in Minard 204J.
