DESIGN YOUR PATH TO YOUR NDSU DEGREE

The best way to reach your goal is to design and implement a plan.

- Filter to your remaining requirements to see what you have left to do.
- Assign courses to semesters – just drag and drop a course into a term.
- Check any alerts to be sure you're on track.

PREPARE FOR YOUR CAREER

Your new degree will lead to new opportunities.

- Explore career options locally, regionally and nationally.
- Get information on job demand, salaries and skills needed.
