The additional funding needed or the excess funds amount represents the amount still needed to cover your annual educational expenses or the excess aid amount you will have to cover personal expenses. Use this figure when considering additional outside resources. This may include options such as private loans or payment plans. Only borrow the amount you need to cover educational costs as these funds need to be repaid.

**Note:** Private Loan amounts may be subject to budget restrictions. Contact NDSU One Stop or a Financial Aid Administrator if you have questions about private loans.
