 Aviation

Note: Each course fee is unique and charged based on actual cost.

GPIDEA Per-Credit Rate

\$373.28 (1-12 credits)
 \$440.00 (13+ credits)

High School

\$148.42 per credit

UNDERGRADUATE KEY:

A. Architecture, Nursing and Pharmacy differential tuition rates are assessed on all credits of students admitted to professional programs overseen by each of the respective Colleges.

B. Engineering differential tuition is assessed on all credits of students admitted to an academic program overseen by the College of Engineering. Examples of engineering majors include: pre-Engineering (including those with undecided majors/concentrations), Agriculture & Bio Systems, Civil, Construction Engineering/Management, Electrical, Environmental, Industrial, Mechanical and Manufacturing, and Computer Science.

C. Business differential tuition is assessed on all credits of students admitted to an academic program overseen by the College of Business. Examples of business majors include: Accounting, Business Administration, Finance, Management, Management Information Systems, Marketing and Global Business, Supply Chain Mgmt. Students that were admitted to the program as a pre-major will be automatically enrolled in to the professional major when the admission requirements (e.g. 2.5 cumulative GPA, completed/enrolled in five core courses) are met. Students requesting not to be admitted must opt out by the deadline established by the College of Business.

D. Students with majors outside the College of Business, who have declared a minor or certificate within the College of Business, will be charged tuition in accordance with their declared major. However, these students will be charged additional tuition only on credits offered through the College of Business major but have been admitted to a minor in Accounting, Business Administration, Fraud Investigation, Logistics or Management Information Systems; or a Certificate in Entrepreneurship or Professional Selling.

E. Select online programs are approved by ND SBHE to be billed following an alternative structure where all students are charged at the ND resident rate. Approved programs are administered strictly via an online delivery. NDSU's thirteen credit tuition cap does not apply.

Students who have declared multiple majors are billed at a single tuition rate corresponding with the highest programmatic rate of the student. Students enrolled in multiple careers (e.g. both undergraduate and graduate) may be billed separately for each and the tuition cap does not apply across careers.

* MN residents not approved by the MNOHE to receive the discounted tuition rate will be charged as MSEP. The pharmacy program is excluded from the ND/MN reciprocity agreement. Pharmacy students from MN will be charged the MSEP rate unless approved for the MN rate as undergraduates.

Contiguous Provinces & States: Manitoba, Saskatchewan, Montana, South Dakota.

WUE States/Territories: Alaska, Arizona, California, Colorado, Hawaii, Idaho, Nevada, New Mexico, Oregon, Utah, Washington, Wyoming, Northern Marianas Islands, Guam, Marshall Islands, Micronesia, Palau, American Samoa

MSEP States: Indiana, Kansas, Minnesota*, Missouri, Nebraska, Ohio, Wisconsin. *MN students not approved for the MN Reciprocity Rate.

Audit Rate: 50% of the base residency rate.
