Welcome USWOA Members and State Delegates to the Junior/Cadet National Championships and the North Dakota State University Campus.

This year’s Championships again will be an outstanding event and we are proud to have you a part of these prestigious Championships. Your contributions to USAW and your hard work all season long are greatly appreciated.

You are receiving this note due in part to your decision to be housed on the NDSU campus. These special housing arrangements have been arranged for you in order that you may enjoy the close proximity to the FARGODOME and the camaraderie of your fellow officials and state leaders.

It is important that you fully understand that the NDSU administration has established rules, policies and regulations which you are expected to follow with the strictest adherence. These rules, policies and regulations have been established to provide each person housed on campus a safe and comfortable environment. This should be respected by all and no individual is above adhering to these codes of conduct.

To that end, to protect the privileges of those housed on campus, USAW advises you that there is a ZERO TOLERANCE rule in place during the entire length of this event. If you elect at any time during this period to violate the codes of conduct you will be asked to collect your belongings and find alternate housing and food services off campus. In addition other sanctions may be placed against you.

USAW believes you fully understand the reasons for this ZERO Tolerance policy and will respect the policies of the NDSU Administration which USAW supports in full.

If you have any questions or concerns regarding the above please feel free to speak to either Les Gutches, Tony Black or Pete Isais. Enjoy your experience at one of the world’s greatest wrestling events!
