RE: 2017 USMC Junior & Cadet National Championships and National Convention

It is time to begin the process of preparing for the USMC Junior & Cadet National Championships and the USAW National Convention. Enclosed you will find the information needed to prepare for these events.

Please read each item, as there have been some changes in procedures.

Important Reminders for 2017:

1. **ONLY Teams staying ON-Campus** can register on Thursday, July 13th. Off Campus Team registration starts Friday, July 14th.

2. Teams MUST sign up for Mat Workout Times. Workout schedule begins on July 13th. Athlete ID is not required to start working out. Larger teams traveling with certified trainer please contact David Traynor at Dtraynor@usawrestling.org

3. All Registration will take place on the 2nd floor above the lobby in the Fargodome.

4. For SECURITY REASONS, everyone from your state that will be housed on the NDSU Campus must be registered by your TEAM LEADER prior to them arriving in Fargo. This means all coaches, officials, media, volunteers, etc. must pay you for their room and board. Individuals CANNOT arrive and purchase room and board packages. It is your responsibility to collect from individuals and pay for their room and board. THERE WILL BE NO EXCEPTIONS. THIS IS FOR THE SECURITY OF YOUR DELEGATION.

5. Every State should have received an email from FloSports with preregistration directions. There will be one link for Cadet Men, one link for Junior Men, and one link for Cadet and Junior Women. Enter all of your wrestler’s information and complete the required fields and then submit your registration (there will be no payment required when preregistering). We advise that you enter as many wrestlers as possible onto one invoice before submitting so you have minimal invoices. Save your password so you can log back into your registration and edit your athlete’s information as needed. All information
must be entered and accurate two days prior to weigh-ins. Statisticians must verify data and levels of separation by 10am the day of weigh-ins.

6. It is imperative that a member from your delegation arrives in Fargo early enough to verify the data for the athletes by 9:00 AM the day of weigh-ins. Please note that rosters for Junior Women’s Freestyle must be verified the night before, as these are the only first weigh-ins held in the morning, whereas the other five styles have evening weigh-ins. Verification of rosters allows the event programmers to generate the weigh-in cards needed for the weigh-ins. Please call Tony Black if you foresee any problems with this.

7. It is very important that you register your team through the website set up through NDSU (credentials, meal access, and housing) [https://www.ndsu.edu/usaw/](https://www.ndsu.edu/usaw/) along FLO Sports and that you adhere to all deadlines. For 2017, the draw numbers, weigh-in cards, and levels of separation will be generated using FLO Sports. If we do not have your team’s data, it should be obvious we cannot generate the necessary information needed to set the events up.

If you have difficulties with the NDSU site entering data, or with the website, contact Josh Hemingway at NDSU at 701-231-6268. If you have any questions regarding the policy and procedures that govern the event, contact either Pete Isais or Tony Black at USAW.

AGAIN, YOU MUST REGISTER YOUR TEAM ONLINE; THERE CAN BE NO EXCEPTIONS.

Thank you.
